Daily Learning Story

Sharks & Whales

Friday,

13th August, 2021

This morning the centre's children came into the Sharks and Whales room to watch a spectacular Olympic performance. Some of our children were selected from the crowd to participate in events such as The Egg and Spoon Race, Bean Bag Toss, Bag Balancing, Goal Shooting and much more.

Different children represented different countries:

Elora represented Japan,

Alina represented Mauritius,

Ryan represented New Zealand,

Donny represented Malta,

Jasper represented Sierra Leone,

Lucas Ling represented Canada,

and Philip made our country proud by representing Australia.

Everyone went away with a gold medal for great sportsmanship!

The children have been busily preparing Father's Day gifts for their daddies/carers. Today the children made a special surprise utilising their scratch art skills learned in previous lessons. If you haven't yet sent in a Father's Day photograph of your child with their daddy please

Thank you to our wonderful families for dressing your children in their pyjamas and contributing to the donation box this morning. So far, our centre has raised a total of $86.10.

This money will go towards promoting safe sleeping practises for infants, helping to prevent SIDS and other initiatives.

Reflection of the day

It's Friday which means it's FRI-YAY! Today was a fun-filled day for the Sharks and Whales. Not only did we get to rock up to kindy in our pyja-mas, the children got to participate in an Olympic show, create Father's Day art and colour in their own selected templates– flowers, aliens, frogs, fairies, cupcakes. We have all finally grasped the new morning routine and being back at kindy after a long week in lockdown.
Miss Hannah and Miss Talia are super excited for Science Week next week! Woohoo!

Have a lovely weekend everyone!
