# Outside Adventures

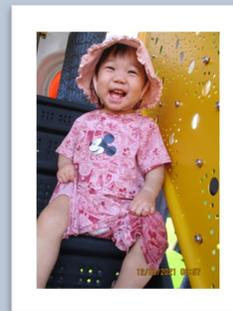

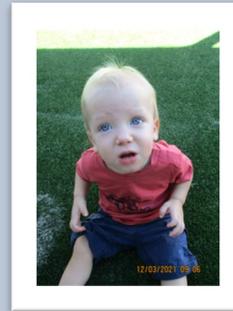

This morning we got to have an adventure in the big playground getting to experience going up and down on the big slides. It is extremely exciting for the Jellyfish group to be able to try new things.

**Amelia** was having the time of her life! With the biggest smile on her face and a little help from Miss Taylah she was ready to go on the big playground and experience going down the slides by herself.

**Ayden** was also enjoying himself, as it is still only **Ayden's** first week. It was a whole new adventure for him being able to experience playing in the big kids play area. At first **Ayden** was a little hesitant but as he saw the other children playing he gained that confidence to play on the playground.

**Archie** was having a blast with Miss Aura, running around smiling and giggling at going down the big slides. **Archie** loves to make his way up the playground stairs all by himself and let Miss Aura watch him as he goes down the slide!

# Spontaneous Painting

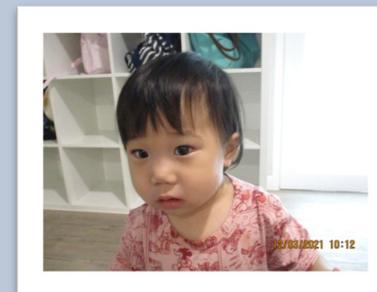

Before lunch today we did some Spontaneous painting, which means the Jellyfish group could paint whatever they pleased!

**Amelia** was super excited to sit up at the table and paint. She loved using the colour purple on her artwork, as she watched **Archie** paint she started to copy what he was doing with his artwork. In the end when it was time to pack it up she didn't want to stop painting. She just kept saying 'more'!

**Archie** knew exactly what to do with the paintbrush as soon as I gave him the brush he started using all different motions to create his masterpiece.

**Eleanor** was a little hesitant at first with what to do with the brush, but with a little help from Miss Aura she started to create her artwork.

**Ayden** was very hesitant to paint with the other Jellyfish's, even though he didn't paint today he was very happy to watch from the side. There will be heaps of other opportunities for Ayden to paint in the future once he settles in!

# Reflection of the day

The children enjoyed spending their morning outside as they got to experience playing in the big children playground. They had heaps of fun painting whatever they pleased in arts and crafts today. It was a perfect day to end the week!
