

# Seahorse Daily Story

## MEET SCOOTER

In the Seahorse room we have welcomed a new friend, his name is Scooter and he is our take home buddy. This means the children are able to take him home during the week for a sleep over or over the weekend. He has his own suitcase with his sheets and pillow along with his journal all ready for his sleep overs. The children are able to take him on a variety of adventures from going to the park or shopping or just having a picnic at home. By taking Scooter home the children are able to share their families and the activities they do outside of the center with their friends in the room.

If you are interested in taking Scooter home for a visit please do not hesitate to talk to Miss Briohny or Miss Jade to organize a visit.

Scooter had his first weekend visit on the weekend with Mikayla, they had a fun weekend

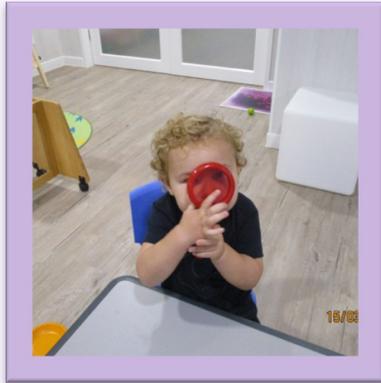

## Patty Paper Collage

The children engaged in the patty paper collage this morning, due to Mikayla's interest in the patty papers on Friday. Using one of the glue sticks the children spread the glue across the paper, ensuring there was enough to push the papers onto. Selecting some of the coloured patty papers the children used their fine motor skills to press the patty paper into the paper. Spencer pulled some of his off and held them up to his face. This activity also encouraged the children to use their colour recognition skills to identify the colours of the patty papers.

## Coloured Mirrors

Mikayla, Keaston and Spencer explored their colours this morning by looking at the coloured mirrors. Keaston and Spencer held the mirrors and magnifying glasses up to their faces so they could see through. Spencer enjoyed looking at his reflection in the mirror.

## Reading

Hanson, Keaston and Mikayla spent some quiet time on the little couch in book corner to read some stories. Mikayla took advantage of the couch and laid down to read her story. The boys sat nicely on the couch exploring the images in the stories.
