

SEAHORSE DAILY STORY

MEET SCOOTER

In the Seahorse room we have welcomed a new friend, his name is Scooter and he is our take home buddy. This means the children are able to take him home during the week for a sleep over or over the weekend. He has his own suitcase with his sheets and pillow along with his journal all ready for his sleep overs. The children are able to take him on a variety of adventures from going to the park or shopping or just having a picnic at home. By taking Scooter home the children are able to share their families and the activities they do outside of the center with their friends in the room.

If you are interested in taking Scooter home for a visit please do not hesitate to talk to Miss Briohny or Miss Jade to organize a visit.

Spencer is taking Scooter for a sleepover this weekend. Have fun

Harmony day Craft

As Harmony Day is on the 21st of March which is a Sunday we started celebrating Harmony Day this morning. Taking turns the children did hand painting with Miss Briohny. Using orange paint Miss Briohny covered each of the children's hands before they pressed them on to the map of Australia. We will continue to work on our Harmony Day Craft on Friday and again on Monday for the children that aren't here on Thursdays.

Group Time

During group time this morning the children sat together in the book corner with Miss Briohny. We continued with our topic of Harmony Day by reading 'I'm Australian Too' which is about children and their families who have come from all over the world who now call Australia home and that they now feel they are Australian's as well as the people who were born in Australia. After our story Miss Briohny put on some Indigenous Australian songs for the children to listen to. We listened to 'Taba Naba' and 'Inanay'. To continue with the topic of multiculturalism we played some lullabies from around the world for rest time.

Flags around the world

Marwin, Hanson and Spencer took turns exploring the small flag cards on the table. Moving the cards around the table they selected the different flags, using their investigation skills to observe the colours on the flags.

Today's story

Easter Provocation Table

As Easter is fast approaching Miss Briohny set up one of our tables as an Easter garden. The children gathered around the table this morning in small groups exploring the different materials. Finding the plastic Easter eggs Miss Briohny showed the children how to open them. Once they opened the eggs Mikayla, Spencer and Nathaniel put some of the small chickens inside them. Olivia enjoyed playing with the different rabbits, using her fingers to explore the different textures of the bunnies. Hanson and Yoonu used their fine motor skills to open and close the eggs. The provocation table engaged the children all morning as they expressed their creativity. We will continue to allow the children to explore the Easter table before starting with our Easter activities next week.

**Reminder that tomorrow afternoon is the
Easter Extravaganza. 5:00 to 6:00pm.**

Reflection of the day

Miss Briohny changed the provocation table from wild animals to Easter as it is fast approaching. We also started learning about Harmony Day as Harmony Day is on Sunday. The children continued using their self-help skills to empty their plates after meals and to put their water bottles away.
