

SEAHORSE DAILY STORY

To all parents/careers

I (Miss Briohny) will be on leave as of tomorrow, Friday the 26th of March till Tuesday the 6th of April. I will be back in the room on Wednesday the 7th of April.

Miss Jade will be with the children along with either Miss Vivian or one of the other educators, if you have any questions do not hesitate to talk to Miss Jade as she will be more than happy to help.

To everyone else have a Very Happy Easter and I will see you all next month. Miss Briohny

In the Seahorse room today we decided we were going to have an outdoor day. Sitting at the little picnic tables, Hanson, Yoonu, Olivia, Azalea and Samik shared their morning tea and lunch together. As the weather was so nice outside today we decided to go camping for rest time. Miss Briohny and Miss Jade borrowed some mattresses from the Stingray room and we set them up together outside the Jellyfish room. The children were very surprised to be sleeping outside, but it provided them a new restful environment.

We have decided that once a week we will allow the children to have rest time outside so they can get some fresh air and be in touch with nature.

Easter Stamp Painting

Olivia, Azalea, Hanson and Yoonu engaged in the Easter stamp painting activity today. Miss Briohny had created some stamps out of some sponges in the shape of an egg, carrot and a bunny head. Pressing the stamps into the paint, we made sure they were covered in paint before we pressed them onto the paper. While pressing them onto the paper we realized that the paint was coming through the holes in the sponges and colouring our hands. The children enjoyed using the sponges as it was a new technique of painting. The sponges also created unique designs in the paint, giving each of the shapes a different texture.

Outdoor play

The children spent the day playing outside, as something different and because it wasn't raining. While outside Hanson and Yoonu spent some time riding the bikes around the yard, they also selected one of the trucks and carried it around while they were riding. Azalea, Olivia and Hanson also explored the Easter finger puppets. Olivia used her recognition skills to identify the different animals. Samik and Azalea used their fine motor skills to work with some of the activities on the wall crocodile while Yoonu enjoyed playing in the home corner. Samik also played with the hoola hoops, holding them over his shoulders.
