

# Seahorse Daily Story

I hope everyone has had a great weekend. Today we have started off with a lovely day spending our morning in the outdoor yard. Keaston got to play on the slide and was such a risk taker climbing up and down the ladder, I must admit he was very patient and careful with where he stood and such a brave boy. Outdoor play gives our children the freedom to explore our natural environment.

I got to watch as Spencer played in the home corner area. He was so fascinated with the food and was able to plate up yummy dishes and share them with his friends and educators. Thank you Spencer.

It is so good to have you back Spencer. Also we have enjoyed having Mikayla spend the morning with us too. We have missed you both.

# The Easter Bunny Visits

YAYYY!!!! We got an extra surprise in our Centre.....we had the Easter bunny visit us.

How excited were our group of children, Keaston ran to the Easter bunny as soon as he had seen him giving him the biggest cuddles, Spencer waited for a bit and then hurried on over to touch him.

Keaston and Spencer were both happy to receive a chocolate Easter Bunny. I bet they cant wait to eat their chocolate bunny at home. Yummy!!!

Our Easter bunny will come throughout the week to see the rest of our friends in our Centre.

# Easter Baskets

With Easter fast approaching and Miss Briohny away we have been working hard in the Seahorse room to get our Easter baskets under way.

As I only had Spencer and Keaton for the morning I got to do this as a group activity. Miss Jade had coloured paints out such as yellow, orange and pink, Spencer and Keaton had fun painting their individual baskets. We even had Miss Taylor give us some more paints which we were more than happy to use. We showed how creative we are and how much we love to do painting. Cant wait till they dry then we can add the ears, eyes and nose.

# Analysis of learning

- Carry on with our self help skills
- Setting in as some of our children have been away

**L/04 Children are confident and involved learners**

**4.1-Children develop dispositions for learning such as curiosity, co operation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity.**

**4.4-Children resource their own learning through connecting with people, place, technologies and natural and processed materials.**

## Reflection of the day

**Having Spencer back after a week off and getting him to settle back into our routine, also Mikayla has joined as well after having most of last week off.**

**Continue with our Easter activities for the week.**

## Future Learning
