Jayden's 1st Day

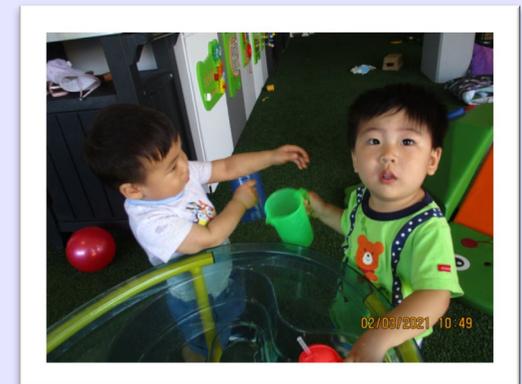

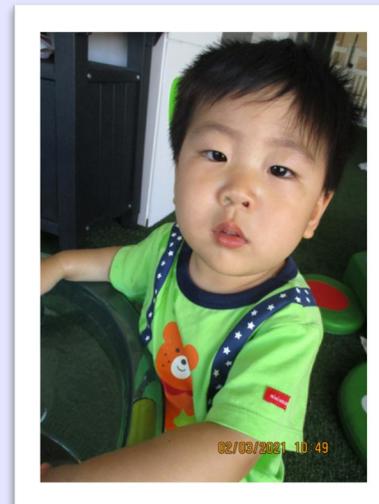

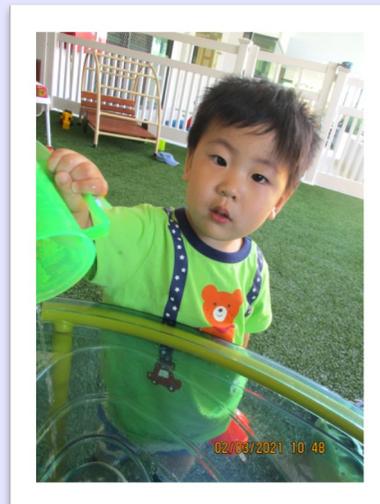

This morning we welcomed our new friend Jayden into the jellyfish room.

Jayden had a wonderful morning meeting all his new educators and friends, creating relationships with each of them throughout the day.

Jayden formed a connection with Mr Shane straight away and loved exploring the morning with him, Once Mr Shane had to go back inside, **Jayden** met Miss Taylah and happily spent the rest of the morning by her side, exploring the indoor and outdoor environment. **Jayden** showed a great interest in the water play that was set up outside, using the measuring cups to scoop up the water and poured it back into the tray, creating a splash, this made **Jayden** giggle.

Water play

Miss Vivian took some good photos of exploring the water play this morning. We used a mixture of toys in with the water. Our favourite was the colourful measuring cups. We each had a turn at filling up the cups and tipping them all out, this created a splash, making us all giggle. We also used a water fountain. We poured the water from the measuring cup into the hole on top of the fountain and watched as the water spun the wheel.

Written by Miss Taylah.

Little **Maddeline** joined us in the jellyfish room today. All of the Jellyfish children loved passing her all the different toys and making her feel right at home.

Hannah, Harvey and Jayden, enjoyed climbing all over the soft obstacle course.

Analysis of learning

Learning outcomes achieved

1.1, 1.4, 2.1, 2.3, 3.1, 4.2 & 5.1

Reflection of the day

The children had a good day, they connected really well with their new friend Jayden and made him feel safe within his new environment.
