

Jellyfish's Daily Story

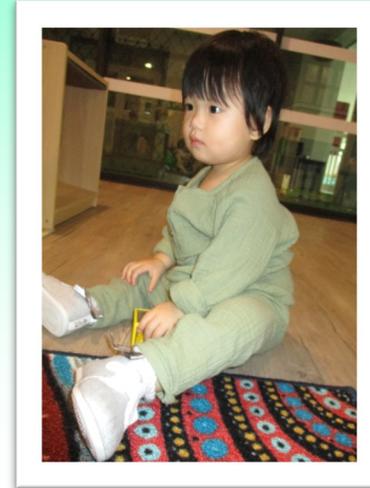

17th of March 2021

Ella's First Day

We would all like to say a massive welcome to our new friend **Ella**, you have had such a wonderful first day, meeting all your new educators and friends in the jellyfish room.

You settled into the room very well this morning, waving dad goodbye. There were a few moments where you felt a little overwhelmed but nothing some cuddles from your educators could fix.

Celebrating St Patrick's Day

Every year we like celebrate St Patrick's day, we asked the children to come dressed in green. All the children had some sort of green attire on if it was a green shirt, green pants or even a green hair tie.

To start off our St Patrick's day, we blew up a heap of green balloons for the children to play with. All the Jellyfishes were super excited running around the classroom hitting and chasing the balloons.

Harvey and **Archie** were chasing around each other balloons giggling and laughing. **Ethan**, **Isabella** and **Hannah** were happy to sit on the carpet and watch the balloons go up and down. As it was **Ella's** first day she was a little reserved at first to start playing with the other children but with a little help from Miss Aura she started to gain that confidence to play with the balloons.

St Patrick's Day Activity

What a fun way to celebrate St Patrick's day with all of our friends, Miss Taylah prepared some rainbow coloured rice, we brought inside the black tough tray and placed the tray of coloured rice in the middle. **Harvey** was the first to jump into the tray, grabbing a handful of rice and starting to mix it together. **Jayden** and **Isabella** hoped in next, they both used their hands to grab the rice, **Jayden** got very excited and threw the rice around making a big mess, this made **Isabella** laugh. **Ethan** and our new friend **Ella** also had some fun in with the rice. Some say rainbow's can be very lucky if you find a pot of gold at the end, this resembles St Patrick's day.

The children had so much fun mixing the rainbow rice around and making lots of mess.

Reflection of the day

We welcomed a new friend into our room today. The children welcomed Ella with warm hearts. Our day was very busy and a little overwhelming due to the weather being a bit sad. The children enjoyed the activities that were set up and the St Patricks day celebrations
