## The Easter Bunny visits!

The Easter bunny stopped by at BTP Early Learning Centre today to say 'hi' to all the children!

All the children were extremely excited to meet him and made sure to give him lots of cuddles when he arrived.

Every child received a delicious chocolate Easter bunny to eat at home and share a piece with their parents.

## Making playdough

The children had so much fun making playdough with Miss Caitlin. Everyone had a go of stirring together the dry ingredients before water was added.

Miss Caitlin added a few drops of blue food colouring to make the playdough the colour of the sky.

After that, Elora and Carter used rolling pins to flatten their playdough before pressing in shapes of eyes, smiles and hair to make faces.

Hudaa pressed lots of flour into hers as she kneaded it together, just like she was making bread.

Alina, who had her first day as a Shark, also joined in on the fun, as did Joanne!

## Fun outside

The children played outside before having their lunch today as it was such lovely weather.

Alina and Lucas chose to play in the sandpit while Huda, Philip, Joanne, Elora and Carter decided to play on the jungle gym.

We always have fun when we out in the sunshine!

1.1.2 Developing a sense of belonging and confidence

## Reflection of the day

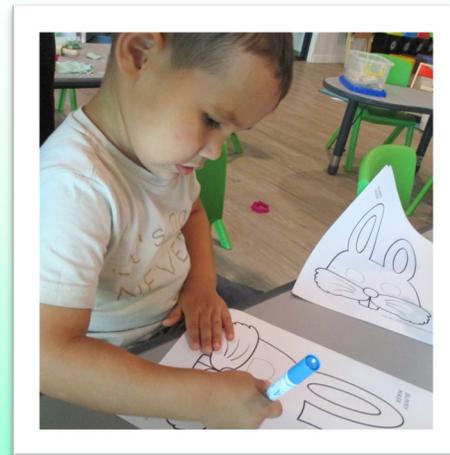

It's so special to celebrate special times of the year with the children. The children loved meeting the Easter bunny, giving him a cuddle and receiving a chocolate Easter bunny to take home.

We have been doing lots of Easter bunny themed art, following BTP Early Learning Centre's Easter Egg Hunt and leading up to Easter.

The Easter Bunny is going to visit us for the next few days so that every child enrolled at the centre will meet him.
