Brushing our teeth

Today Miss Hannah read the book *Dr. Rabbit Meets a Brushalotomus* during group time. Everyone loved hearing about the adventures of a family who get lost on the way to find their dentist.

When they find the dentist, he teaches them how to brush their teeth twice every day.

After this, the children used 'toothpaste' (white paint with some peppermint oil mixed in) to create some wonderful art. Using toothbrushes, the children brushed the paint onto pictures of smiling mouths to brush the teeth.

We all had so much fun and really enjoyed the minty smell!

Chocolate cake baking

Because it was such a rainy day outside, Miss Hannah and the children decided that today would be a good day to make chocolate cake for afternoon tea.

The children took turns to give the chocolate cake batter a mix. Everyone really liked the smell of the cake mix and looked forward to eating chocolate cake cupcakes for afternoon tea.

Miss Julie made sure the cupcakes were cooked to perfection in the kitchen's oven before serving up the warm, spongy cupcakes.

What a delicious treat to have on rainy Thursday!

Reflection of the day

The children had an action-packed day inside because of the rainy weather. They had fun with sensory art experiences, applying mint scented paint to pictures of teeth, making playdough and pressing out shapes and making chocolate cake.

They also enjoyed puzzles, costumes, home corner and blocks.

We can always find fun things to do when we can't go outside!
