Happy St. Patricks Day!

First of all I just wanted to thank everyone for participating in today's theme and dressing their children in the colour green! Everyone looks amazing!

Miss Taylah was kind enough to make us some coloured rice in the spirit for St. Patricks Day. Miss Caitlin held up each colour, one by one, and asked if anyone knew the colour. Even if someone was unsure, we repeated the word back to Miss Caitlin, hoping to remember for the next time. Everyone poured a tub of rice in the tray. We watched as the colours started off as individual, to being mixed together to make a rainbow.

To begin, we used our hands, feeling the texture of the rice. We then started to grab a handful and let it fall slowly out of our hands. It sounded like it was raining rice! We then found different objects around the room that we could fill and/or cover. We had so much fun exploring this sensory activity.

Dance Freeze!

After our fun inside, we ventured outside to enjoy some singing and dancing. Miss Caitlin put on some of our favourite songs. We listened to 'Baby shark', 'Tooty Ta' and of course 'Dance Freeze'. By now, the children know all the dance moves to 'Dance Freeze' before the song tells us what is next. This has to be our FAVOURITE song in the room.
