

# Starfish Daily Stories

# Mirror Mirror

Today we pulled the big mirrors out for the children to explore. They were set up in a half circle and Maddie and Alina was placed in front of them so they could see themselves from every side they looked.

The educators also laid in front of the mirrors with the children to make funny faces, we seen lots of smiles and laughing. Harlow held the mirrors and started laughing at herself and kisses the mirrors.

Max and Mason Played with the mirrors by touch were they could see their faces and laughing, they also played peek a boo with use other over the mirror.

# Decoration own biscuits

Today the starfish children added their own cream cheese and fruit to their biscuits. Each child was given a knife (don't worry kid friendly) to spread the cream cheese on.

They were also given bananas to place on top. The children were helped by guiding their hands to get the movement, then left to try by themselves. This was a fun and messy way to get them involved with making their own food.

Mason throwing the balloons around the yard

Working on our gross motor skills

# Outdoor fun

Timothy rolling balls around enjoying the sun

Harlow balling around!

Exploring feathers

Lots of laughing and smiles

Story of the day

Old Woolly Wombat

Exploring different textures

Puzzle Play

# Analysis of learning

LO 1.3 – Children develop knowledgeable & confident self - identities

LO 5.1 – Children interact verbally & non-verbally with others for a range of purposes

LO 4.3 – Children transfer & adapt what they have learned from one context to another

## Reflection of the day

The children have been enjoying the indoor/ outdoor offered as they can come and go from outside more as the weather has cooled down.

They children also enjoyed decoration their own biscuits and more cooking added throughout.
