Making the letter S from confetti

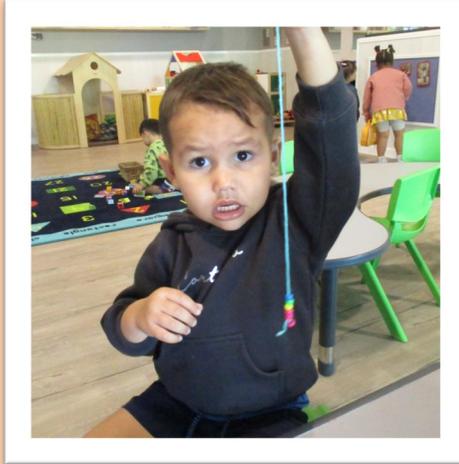

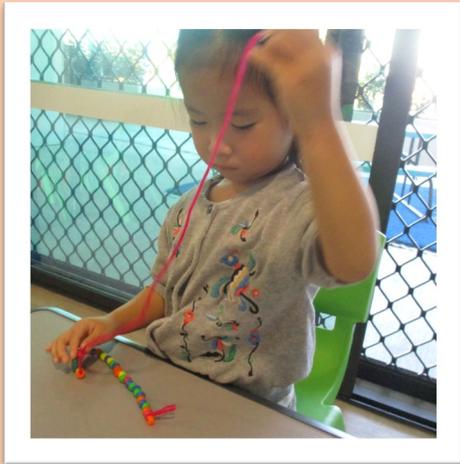

After reading about the letter S again, practising how it sounded and drawing it in the air with our magic pencils, the children made beautiful artworks of the letter S.

Using butterfly, flower and heart confetti they punctured out last week, the children glued these onto outlines of the letter S.

Hudaa and Elora loved doing this artwork so much they wanted to keep their collages and show their parents them later.

Penelope, Philip, Carter and Joanne also completed this task!

Threading beads

Today the children practised threading beads on wool to add to their dream catchers they made last week.

Carter added 16 beads to his wool before counting them all once they were on.

Hudaa loved beading so much, she made two lots of string beads.

Alina and Philip were also able to add their string of beads to their dream catchers.

Great work everyone!

Outside play

We have been making the most of the beautiful weather outside by going outside to the big yard to play throughout the day.

The children were outside playing morning before inside time, for half-an-hour before lunch and after rest time.

Some children were playing an imaginative game where they were being chased by a monster as other children enjoyed the jungle gym and sand pit.

Analysis of learning

3.3.1 Developing control and strength

5.3.2 Exploring counting and patterns

4.1.3 Being imaginative and creative

5.2.2 Exploring sounds and letters

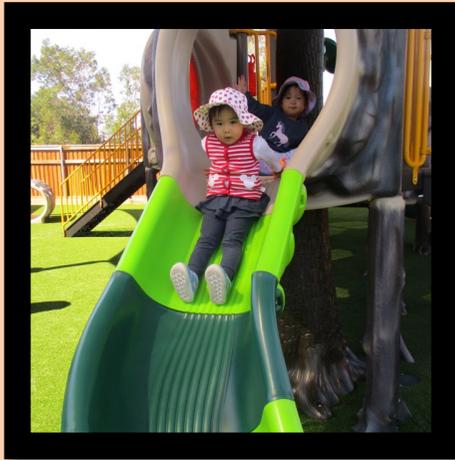

Reflection of the day

The children continued practising their fine motor skills today by threading wool through beads to add to their dream catchers and gluing tiny pieces of flower, heart and butterfly shaped confetti onto their own pictures of the letter S. The children have really grasped that the letter S makes the 'ssss' sound. Great work everyone!
