

Sharks and Whales daily story

- Wednesday, April 14, 2021

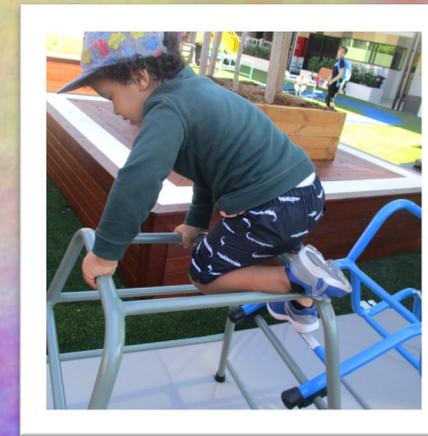

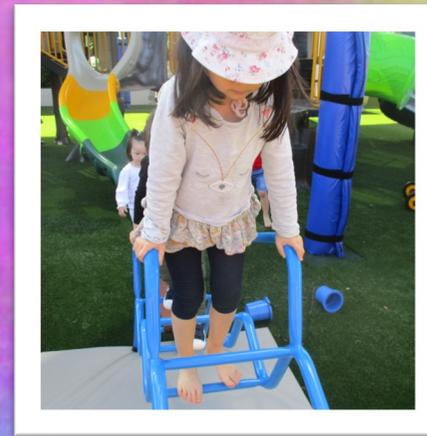

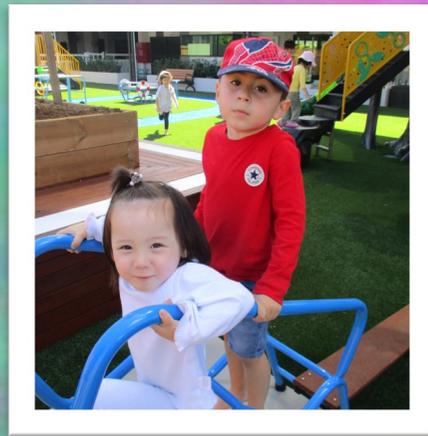

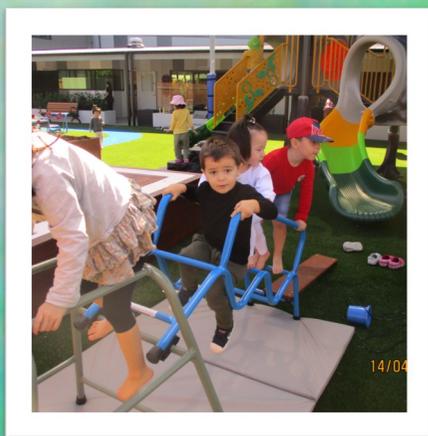

Obstacle course

Miss Hannah set up a small obstacle course for the children to test our their gross motor skills on this morning. Everyone had to try and to climb over to get to the other side. It was a bit tricky at first but soon the children all got the hang of it.

After we went inside and ate morning tea, we practised writing the letter S, our names and then listened to a story about monsters!

We also met Miss Talitha, who is going to help Miss Caitlin and Miss Hannah in the Shark and Dolphin rooms from later this month!

Monster art

Today the children created beautiful artwork by adding blobs of paint to paper and then folding the paper over. Miss Hannah is going to cut these out once they dry and add eyes to create colourful monster artwork!

A few children had been seen playing a game earlier this week where they were chased by imaginary monsters and today Miss Hannah read a book about monsters.

The children loved creating the artworks and experimenting how pressing the paper over itself and then unfolding it created mirror-image artwork.

Excellent work everyone!

Analysis of learning

4.1.1 Showing curiosity and enthusiasm for learning

4.1.3 Being imaginative and creative

5.2.1 Engaging with different texts

5.2.2 Exploring sounds and letters

5.2.3 Exploring reading and writing

Reflection of the day

The children absolutely loved adding blobs of paint to their paper, folding the paper over and then opening it to see what they had created.

So many beautiful artworks were created and they are ones that are going to look terrific displayed up in our room frames!
