

# Stingray, Shark and Whale daily story

- Friday, April 9, 2021

## ***Making dream catchers***

Today the children practised threading wool to make dream catchers out of paper plates.

It was a tricky task to remember to pull all off the wool through to keep the tension but Miss Elora and Miss Hannah were on hand to help out when needed.

Some children like Elora and Jihoon opted to have two or more colours of wool on their dream catchers, with hopes their dream catchers could be rainbow-themed.

Miss Hannah also brought in paper shape cutters, with the children producing beautiful heart and butterfly shaped confetti to use later for collages.

## Outside fun

A big sand area with trucks and dinosaurs was set up in the undercover area when children arrived at BTP Early Learning Centre today!

Elouise and Philip had lots of fun playing there with the younger children alongside, before the big yard was officially opened for the day!

Lucas, Elora, Ellie, Stella and Joanne all a great start to the day enjoying the fresh air and space to run around in the big yard, before everyone went inside for morning tea, followed by the story *The Very Itchy Bear*, crafts and inside play.

# Analysis of learning

3.3.1 Developing control and strength

4.1.3 Being imaginative and creative

1.2.1 Managing routines

1.1.1 Feeling safe, accepted and supported

## Reflection of the day

The dream catcher activity was so enjoyable and the children were really challenged in threading the wool through the paper plate holes. The activity required fine motor skills and precision.

The children who arrived earlier in the day also loved the sand play in the undercover area.
