# Story Time

After morning tea, everyone chose a book to read quietly on the mat. Some were interested in the same book so they decided to share, others read independently.

After everyone had finished their book, Miss Caitlin started to re-read our letter book. We started off with revising the letter S, then moved on to the letter A. We spoke about the sound that each letter makes and words that begin with said letter.

Miss Talitha then asked everyone if they would like to listen to her read one of her favourite book called 'The Pig in the Pond'. The children loved listening to the story and even more so when they got to act out the different animals displayed.

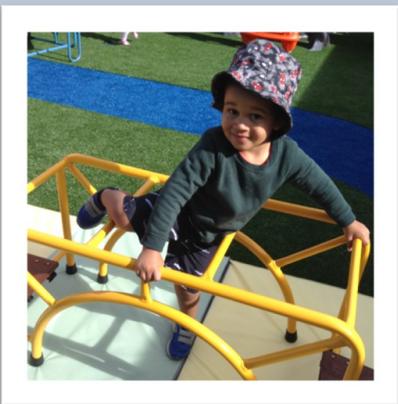

# Letter A art

We have some lovely letter A artwork in frames in the Shark wall. Please have a look to see if any of your child's work is displayed.

# Obstacle course race

This morning to continue on from our kindy circus, Miss Hannah and Miss Talitha set up an obstacle course with monkey bars, balance beams and climbing equipment. Lucas and Joanne got straight into it and started on the balance beams. Philip, Elora and Ellie went for the monkey bars and enjoyed swinging like monkeys. Elora was also very excited to show her friends how she can climb over the climbing equipment. Eloise had lots of fun on the climbing equipment. Miss Hannah thought it would be a great addition to our kindy circus if the children could dress up so she brought out some dress ups from our home corner and children had a blast. All the children had lots of fun watching the educators show them how to use the monkey bars. It was a great morning outside with all the children showing off their new circus skills.

# Reflection of the day

Happy Friday everyone! We had an amazing day combined in the Sharks room as focused on the letter A through stories and art. The children loved exploring the obstacle course set up outside before it started raining. What an awesome way to end the week. Have a happy and safe long weekend!
