Earth day!

Unfortunately, Miss Alaura was away yesterday for Earth Day and she had planned an activity to complete with the children. She asked everyone if they would like to do the activity and they jumped for joy when they saw the paint. Miss Alaura asked each child to paint the template of Earth how they think it should look like. Some Earth's were really green and others were more blue. The children had so much fun using their creativity for this activity.

Written by Miss Caitlin

Today the children had Miss Talitha's guinea pig Otto come in for a special visit. When the children saw his cage they were all super excited to see what was inside. Lucas, Elora, Philip, Irene and Raina all took turns holding Otto and Alina gave him big cuddles. All the children were fascinated when they saw how slow Otto ate the carrot and how little his bites were. Lucas pointed out that Otto was drinking water after eating his carrot. All the children had lots of fun learning about what foods guinea pigs eat and how they live.

Analysis of learning

Learning Outcomes Achieved:

1.1, 1.2, 2.1, 3.1, 3.2, 4.1, 4.2,
5.1

Reflection of the day

Today we were welcomed with a surprise guest! Miss Talitha's pet guinea pig, Otto! We all watched and even pat Otto. It was very exciting and we hope to see him again soon. Miss Alaura set up an Earth Day activity for the children to complete and use their imagination and creativity. We had such a great day! We hope everyone has a fun filled and safe long weekend :)
