

STINGRAY DAILY STORY

Azalea and Yoonu sat at one of the picnic tables this morning and did some drawing with the coloured crayons. While Nathaniel and Keaston demonstrated their gross motor skills and their balance as they climbed across the challenge course. At the sand table the children engaged in small group and parallel play. Some of the children chose to play with the small dinosaurs while the others enjoyed playing with the cars. Azalea found the sign for the traffic lights and was able to recall that the red light says stop and Hanson remembered that the green light says slow. As a group we went through the rhyme about the traffic lights. "Stop says the red light, go says the green, slow says the yellow light blinking in between.

OUTDOOR

YOGA

Miss Meg came for Yoga today but only a small group of children chose to join in with the Yoga class. Sitting on the mat together they did their good morning song as well as their sun song. After their morning stretching they danced to the frog song. The children enjoyed dancing and jumping around like frogs. Once they had finished dancing they sat down together on the mat to do some breathing. We breathed in with our hands up in the air and when we breathed out we pulled our hands together in front of our chest. To end Yoga Miss Meg read the children a story called 'Lost and Found' they didn't get to finish the story so they will finish it next week.

NATIONAL SORRY DAY

As it was National Sorry Day today, we had a special group time. During group time Miss Briohny showed the children an episode of playschool called Acknowledgment of country. While watching the video the children learnt how to say hello in four different indigenous languages. The children learnt 'Yaama', 'Kaya' and 'Awana'. We also learnt how to acknowledge the country by touching the land, putting our hands into the sky and touching our heart.

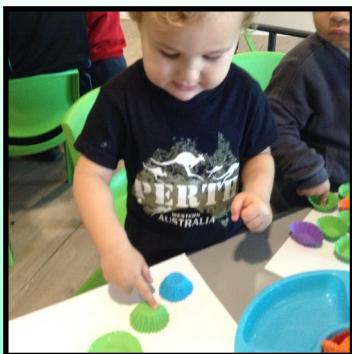

As it is sorry day we listened to the Sorry Day song as well as listening to Taba Naba from the wiggles. We will continue to learn about the indigenous cultures from tomorrow for Reconciliation Week.

PATTY PAPER COLLAGE

Hanson, Spencer, Azalea and Keaston participated in the arts and craft activity this morning. In the tray Miss Briohny had placed our some different coloured patty papers for the children to work with. Selecting one of the paint brushes they worked to cover their paper with glue before selecting the different coloured patty papers to paste onto their page. Keaston created his own way of pasting on the patty paper, he placed them upside down and then pushed them flat. They other children decided to stand their papers up so they opened out.

This activity encouraged the children to express their creativity and to explore their creative thinking.

INDOOR

Keaston, Marwin and Yoonu spent some time exploring their creativity today as they did some drawing with the crayons. Miss Briohny put some paper over the mirror table and allowed the children to do some drawing. Marwin enjoyed drawing and spent most of the morning surrounding the table and drawing across the paper.

While drawing the children are learning their pre-writing skills as well as working to strengthen their fine motor skills.

On the mat the children sat with Miss Taylor. Using some of the magnetic connectors Miss Taylor and Hanson worked together to create a road for the cars to drive around. The boys spent the time driving the cars around the mat while at the table the children strengthened their fine motor skills by working with the playdough. To explore their learning today we added some cut up paper and plastic straws. The children used these to press into the playdough to create their own designs. Some of the straws made the playdough look like birthday cakes.

We got our last felt board put up this morning, so Miss Briohny placed the Alphabet on it for us. As soon as they noticed it Hanson and Violet spent some time looking over the letters.

Analysis of learning

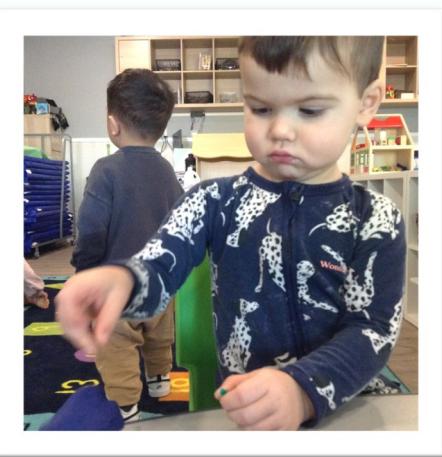

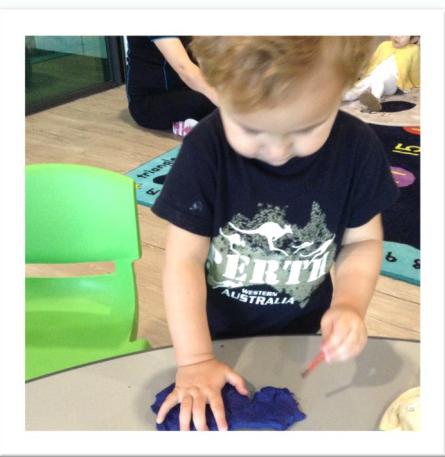

LEARNING OUTCOMES ACHIEVED: LO1, 1.1, 1.2, LO2, 2.1, 2.2, 2.3, LO3, 3.1, 3.2, LO4, 4.1, 4.4, LO5, 5.1, 5.2, 5.3.

Reflection of the day

The children weren't interested in Yoga today as they spent the time playing around the room instead. We used the small mirror table today for the children to do drawing at as we had playdough and patty paper collage at the other tables. During group time we talked about Sorry day and listened to some Aboriginal and Torres Strait Island Music.
