

# Outside play

**This morning Arden had a play in the big yard. She explored all of the different play equipment including the tunnel. The obstacle course and the climbing equipment. Arden pulled herself up on some of the equipment practicing her standing.**

# Story of the day

**Today's story of the day was called 'One Woolly Wombat'. The children looked at the pictures while I read along and afterwards had a play with the animal books which we then read and were naming animals and doing some counting. The children have been very interested in the new water resistant books and we read them every day.**

# Bells

**This morning Arden and Alina were playing with the bells. Both of them were shaking the bells and making lots of sound. Alina watched as Arden shook the bells and then Arden gave one to Alina and they both shook the bells together. Music is great for fine and gross motor skills as well as sensory development. The girls looked like they were having so much fun as they were smiling and laughing the whole time.**

# Bubbles

**This afternoon we played with the bubbles. Alina watched the bubbles moving around her and Arden tried to pop them. Bubbles are heaps of fun and encourage the children to move around and develop gross motor skills.**

# Analysis of learning

LO 1 – Children have a strong sense of identity

agency

LO 1.3 – Children develop knowledgeable & confident self - identities

LO 1.4 – Children learn to interact in relation to others with care, empathy & respect

LO 4 – Children are confident and involved learners

LO 4.1 – Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination & investigation

## Reflection of the day

Today was a great day in the starfish room and we had plenty of fun playing together with just the two children. The children played with nearly all of the toys this morning and seemed to have a great day.
