Outside fun

Miss Kay from Physikids visited earlier today to help the children with skills including throwing and bouncing.

Steven and Jihoon had lots of fun during the Physikids lesson with Miss Kay as Lucas and Joanne played on the obstacle course set up outside.

Thank you Miss Kay for visiting BTP Early Learning Centre today.

If you would like to sign up your child for weekly Physikids lessons, please email info@physikids.com.au or visit physikids.com.au.

Alternatively, make an enquiry via Mr Shane.

Group time

After morning tea, the children listened to a story called Tiddler, which is about a small fish who makes up tales about going on adventures whenever he is late for school. One day he goes on a real adventure after being caught in a net and released into the middle of the ocean. He eventually finds his way back, later telling his teacher that his excuse for being late is true!

The children loved this book and hearing all the rhyming words.

Later, Miss Caitlin showed the children how to do a dragon dance, which required them to stretch way up high and then low!

There was plenty more dancing on the mat before lunch was served.

Shape and word art

To continue on with Miss Caitlin's flashcards from the beginning of the week, we did some shape stamping. We identified all the different cut-out shapes we had in front from sponge. We dipped it into the paint and transferred it onto our piece of paper. As each child reached for a shape, Miss Caitlin would ask them if they knew what shape they grabbed. We repeated the name of the shape together and hopefully over time and practice, we will all know our shapes.

Miss Hannah sat down at the next table and placed her oil pastels and paper in the centre of the table. Alina was first to join Miss Hannah. Miss Hannah wrote Alina's name in pencil and asked Alina to trace over it in her choice of colour. Steven also joined Miss Hannah in this activity but rather than write his name, Steven wanted to draw a masterpiece. Jihoon also did a great job of writing his name and even spelled out his name to Miss Hannah! Great work!

Inside activities

We only had six children in the Sharks room today.

Joanne, Leo and Jihoon became interested in face tiles on the table and worked well to pile all of the matching ones up. They later looked at a non-fiction book with Miss Hannah called Humans, which has beautiful photos of people from all over the world and their personal stories.

Leo and Lucas had fun with junior colorino button activities, as did Steven when he had finished playing in the block area.

Analysis of learning

- Memory
- Fine motor
- Gross motor
- Numeracy & literacy

Reflection of the day

Today was a very quiet day. As we only had six children in the class, we were able to spend some more one on one time with the children. Physikids came out and played some fun games with Jihoon and Steven, we did some art and crafts, read some books and did some singing and dancing. We can't wait to see what tomorrow brings.

Photos of the day

Sleep, eat chart

<u>Dolphins, Sharks and Whales</u>			Staff Name	Hannah	Caitlin	
			Shift	8.30-4.30	7.45-4.00	
Date	May 20, 2021		Rest Pause	10 mins	10 mins	10 mins
Day	Thursday		Lunch	11.45-12.15	12.15-1.15	
CHILD'S NAME	Morning tea	Lunch	Afternoon Tea	Rest Time		Clothing
Leo	SOME	SOME	Most	12.05	1.10	
Joanne	ALL	ALL	Most	12.25	1.25
