

Dolphin, Sharks and Whales Daily Story

May 25, 2021

Group Time

This morning during group time we talked about the letters A, S and T. We learnt how to write these letters on the whiteboard and what sounds these letters make. All the children loved being able to write on the whiteboard and they all tried very hard to copy the letters Miss Hannah wrote down.

Music

This morning Mr Brenden came to do another music lesson with the children. The children got so excited when they saw him and couldn't wait to get started. We went over the songs we had learnt in previous lessons and learnt a new song that Mr Brenden had composed, which was such a blast. This lesson we decided to make it a little different by doing the lesson outside and the children seemed to really enjoy it.

Inside play

Lucas was so excited to go and play with the magnetic blocks, he went straight to the shelf and grabbed the container and he built two amazing castles. Philip, Carter and Ellie were playing at the natural table together with some dinosaurs so their dinosaurs could eat. Miss Hannah set up a table with some craft stuff for the children to make the letter "T" on a piece of paper. Miss Caitlin helped the children to make Sorry Day flowers to put in the foyer of the centre for reconciliation week. Miss Talitha set up wooden building blocks on the mat for the children to build with.

Outside play

Miss Hannah had set up another sand experience outside this morning with dinosaurs and cars, which the children absolutely loved. Philip, Carter and Steven had so much fun playing with the dinosaurs pretending they were chasing the cars. Connector blocks were also set up for the children to build using their imagination. Ellie, Philip, Carter, Joanne, Lucas and Eloise enjoyed building a house and a road leading up to it. Its great to see the children using their imagination and creating such amazing building with the blocks. Leo, Steven, Hakim and Joanne spent lots of time playing on the play ground together and going down the slides. Miss Talitha decided to take a couple puzzles outside and set them up on the turf, which Alina and Eloise really enjoyed.

Analysis of learning

3.3.1 Developing control and strength

5.2.2 Exploring sounds and letters

5.2.1 Engaging with different texts

4.1.3 Being imaginative and creative

Reflection of the day

Today the children had so much fun with all the activities set up by the three Educators. The children had an absolute blast outside with Mr Brendan and learning his new music with new beats to learn. The children really enjoyed being inside and outside today.
