

Dolphins, Sharks and Whales daily story

- Thursday, May 27, 2021

Outside fun

Today Steven began his morning helping to build a giant house in the big yard, as Lucas and Abbie explored all the farm animals in the sand tray.

Philip was eager to find out what type of toy dinosaur he was playing with. He excitedly pointed and said 'there it is' when he found a brontosaurus in a book about dinosaurs.

Later, Miss Kay from Physikids joined the Dolphins, Sharks and Whales children outside to teach those enrolled in her lessons a few boxing skills.

It was a great start to the day!

Indigenous art

After listening to part of a story about the seasons up in the northern Queensland and learning an indigenous welcome song called Gurringindenarme, the children explored dot art.

Using earbuds and paint, the children added colour to pictures of boomerangs.

Miss Talitha showed the children what Aboriginal dot art looked like before helping the children to complete their artworks.

Alina's boomerang was so beautiful! Ji-hoon, Philip, Lucas Ling, Leo and Abbie also gave the activity a go.

Well done everyone!

Inside play

This morning after group time, Lucas and Joanne had lots of fun building the magnetic blocks together. Abbie really enjoyed doing puzzles while Philip was loving playing with more dinosaurs. Steven had a blast playing in home corner and putting on different dress ups pretending to be a fireman and later a builder. Steven also really enjoyed playing with the cars today. Leo was amazed by looking through the coloured blocks and seeing everything the colour of the block.

Analysis of learning

2.2.3 Learning about others' cultures

1.3.1 Developing awareness of own culture

2.3.2 exploring interactions between people and environments

4.1.3 being imaginative and creative

Reflection of the day

The children have loved learning new Indigenous songs and listening to the clap sticks as they are played to the beat. It is great to see friendships between the children become stronger every day.
