

Dolphins, Sharks and Whales daily story

Building Houses

This morning Carter and Ellie decided to build houses out of the large tiles in the playground. They tried lots of different ways to make them stay up but they kept falling to the ground. Carter asked Miss Stacey if she could help and they worked together to get the houses to stay up so they could get inside them. Phillip and Lucas saw this and came over to play as well. Ellie decided to make a bus and shouted 'all aboard'. The children all had fun building the houses together and learning to share.

Outside play

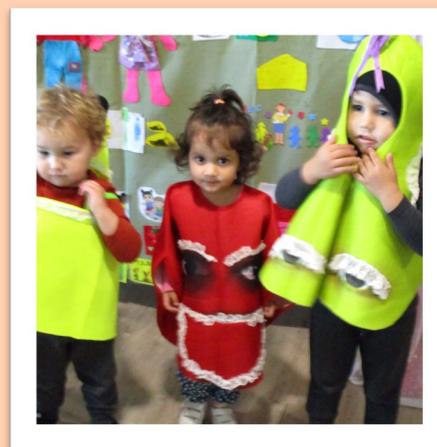

This morning Miss Hannah had some great new ideas for this morning's outside day and the children loved every moment they spent at these new activities. First Miss Hannah started watering the garden with Philip and Spencer. Miss Hannah then set up a tray of sand and made a road and put cars and farm animals in the sand, Philip, Joanne, Lucas and Alina had so much fun putting the cars on the "road" and pretending the animals were running with the cars. Miss Hannah also set up a beautiful little reading corner on the benches around the garden. What a lovely start to the morning.

The Healthy and Fit Show

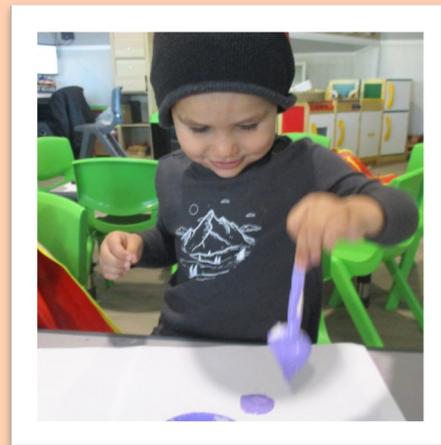

This morning we had a special visitor Miss Julie come into the centre to do a super fun and interactive performance about being healthy and fit as a child. The children got to dress up in cool costumes, and get up and dance around with Miss Julie. The children learnt about sometimes food and always food as well as different sports you can do to keep fit and healthy. Then children all had so much fun and really Enjoyed having Miss Julie come join our centre this morning.

Sorry Day flowers

After Miss Julie left Miss Caitlin set up a beautiful art table for the children to make sorry day flowers as it is reconciliation week. This was such a beautiful way for the children to get involved in making decorations for the foyer of our centre. Carter, Abbie, Hashim, Alina and Ellie were so excited to get in and start painting their own flowers.

Analysis of learning

3.2.1– staying healthy

4.1.3– being imaginative

2.1.2– understanding rights and responsibilities

2.3.2– exploring interactions between people and environment

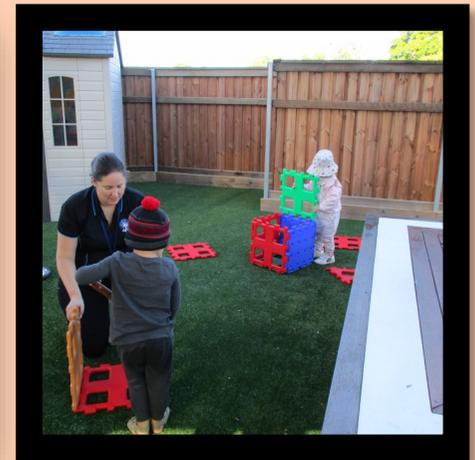

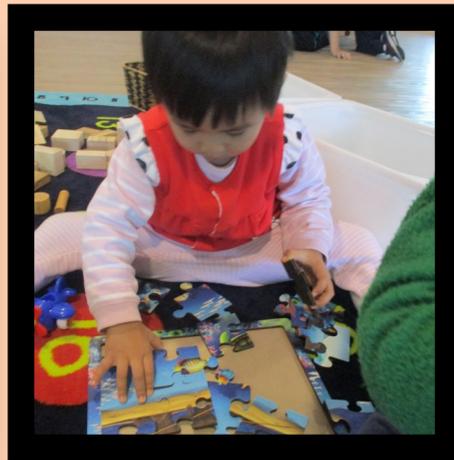

Reflection of the day

Today was lots of fun with all the new outside activities set up by Miss Hannah. The children also really loved having Miss Julie here as she had so many educational songs and activities for the children to participate with. The children also enjoyed painting sorry day flowers with Miss Caitlin. Overall we had a really good day combined together.
