

Starfish Daily Stories

After watching some the older children care for the baby dolls, Arden went over and started to copy what they were doing. Arden give lots of hugs to the baby's and even rocked them. It was really lovely to see Arden take good care of the baby dolls.

Arden's Day

Peter Rabbit Touch and feel playbook

Arden explored the books with Miss Korissa, we learnt about different animals and how some of them feel. Colours, we did some shapes and some numbers. Each page had different textures to exploring as Arden learnt.

Seahorse Room

As Arden was the only child this morning we spend some time in the seahorse room exploring.

Arden joined in playing with playdough and using the sticks.

She also did some climbing showing off how well she can stand and climb over things.

Colours

This morning we explored different colours using different shaped blocks.

We first looked at all the blocks and named all the colours as Arden picked them up.

Arden started to hold them up to her face looking through each of them.

So we did them with each colour to see everything.

Learning the colours through play is the one of the best way to learn as it can be really fun.

Analysis of learning

LO 5.1 – Children interact verbally & non-verbally with others for a range of purposes

LO 4.2 – Children develop a range of skills and process such as problem solving, enquiry, experimentation, hypothesising, researching & investigating

LO 4.3 – Children transfer & adapt what they have learned from one context to another

LO 1.4 – Children learn to interact in relation to others with care, empathy & respect

Reflection of the day

Arden spend the morning with lots of one on one time with miss Korissa.

She explored the seahorse room and seem to enjoying being about to see other rooms.
