Happy Wednesday everyone!

We started the morning off with the videographer coming out to film a little bit of our centre. The children who were allowed, stayed in the Sharks room and showed off their favourite games to play. Train tracks were created on the mat with the help of Carter, Elora, Joanne and Philip. At the table, Stella was sitting with Miss Aluara completing the ocean animal puzzles.

We then venture outside where we rode bikes, bounced balls and built big, big towers with the magnetic blocks. The videographer even captured us finishing off our Mother's Day art. We had so much fun showing off all of our favourite things to do at day care.

Welcome to BTP Early Learning Centre Steven!

Today Steven joined the Dolphins group. He had a lovely time listening to stories, building with connectors and meeting new friends. Great to meet you Steven and we all look forward to you becoming apart of our room!

Story Time

Today the children helped read a story called 'Hug'. Nearly every page in the had the word 'hug' in a speech bubble and together as a class the children read out the word every time it appeared. The story is about a chimpanzee who asks all the animals in the African plains for a hug but is refused.

When he asks his mummy for a hug, he gets the biggest hug of all.

The children did great reading and some even guessed the word 'mummy' when it appeared in the story.

- Listening & responding
 - Fine motor
 - Gross motor
 - Imaginative play

Reflection of the day

It was a very crazy day today in the Sharks room. With a special guest and the rain, the children had a lot of extra energy to burn off. We managed to entertain the children with lots of different activities and we got through the day.
