

# STINGRAY DAILY STORY

## STINGRAY DAILY STORY

Stingray parents:

Miss Taylor and I (Miss Briohny) would like to ask if parents would be able to donate some recycled items to the room that the children can use for free play along with craft. We have some ideas of recycled items listed below:

- Yogurt tops (twist lids)
- Cardboard tubes (Please No toilet rolls, can be kitchen towel), cereal, tissue and shoe boxes
- Yogurt tubs
- Formula tins
- Plastic lids
- Old kitchen utensils (e.g. wooden spoons, potato mashers, whisks)

# SAND TRAYS

To continue with our topic of recycling Miss Briohny set up some small trays on the mirror with sand in them. To continue the recycling theme we used old cupcake boxes that were clean. The children used these to scoop the sand and to pour it into the other containers. Spencer decided he could scoop the sand in his hand and tip it into the cupcake container. Hanson demonstrated his sharing skills as he scooped his sand up and poured it into Marwin's sand container. The children spent most of the morning playing with the sand at the table and took turns with the other children, ensuring everyone got a turn. While playing with the sand they were also using their sense of touch to explore the texture of the sand.

# BOTTLE TOP PAINTING

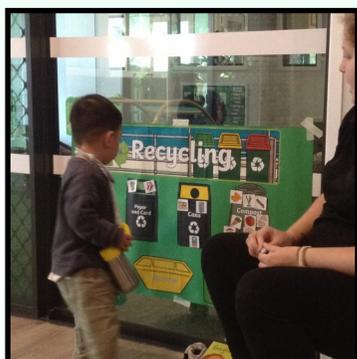

We also continued our topic of recycling by using bottle tops in our painting activity. One a couple of plastic takeaway lids Miss Briohny poured some paint and placed the lids on top. The children then used their fine motor skill to grasp the lids between their thumb and forefinger before pressing them on the paper. The children took turns using the different colours and creating a pattern around their page. The children each created their own unique designs. While using the bottle tops the children were strengthening their fine motor skills as they had to keep the top grasped between their fingers so they could continue to press it into the paper. The children also used their colour recognition skills to identify the colours they were working with.

Miss Meg came back this morning for our Yoga class. The children gathered on the mat around the koala. To start yoga the children remembered their yoga greeting song. They are doing a great job remembering the actions to the song. Once they did their greeting song a few times they moved on to their good morning sun song. After doing their song they were ready to get started. Our first movements today were happy and sad bodies. This required the children to sit up straight as happy and to hunch over as sad. They also laid out on the mat and stretched out as stars. To finish group time Miss Meg got out a book about the clouds and rain due to the rain this morning.

# YOGA

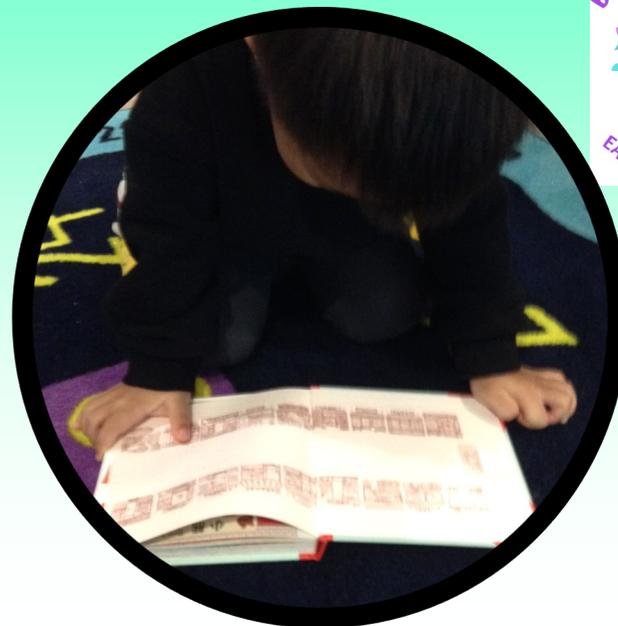

# GROUP TIME

During group time this morning Miss Briohny read 'Recycling' to the children. This story told us about the different bins we can use for recycling and what we can do with different types of rubbish. Like food scraps in the compost and donating old toys we don't play with any more. Once our story was finished we referred to our Recycling poster. Today we decided to focus on the paper bin and talk about the different items we can put in the paper bin, like juice boxes, newspaper and cereal boxes. We will continue to explore recycling during the rest of the week and next week.

# Analysis of learning

**LEARNING OUTCOME ACHIEVED: LO1, 1.1, 1.2, 1.3, 1.4, LO2, 2.4, LO3, 3.1, LO4, 4.1, 4.4, LO5, 5.2**

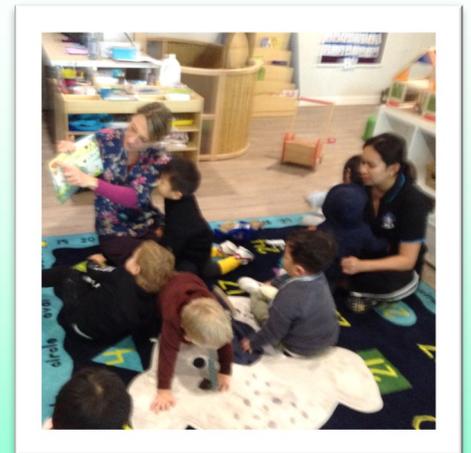

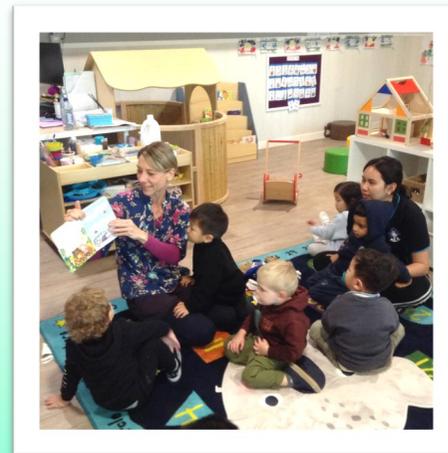

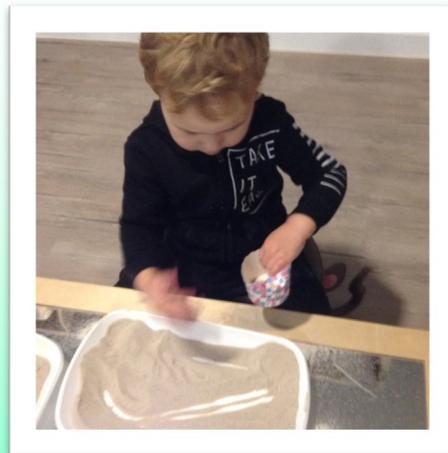

# Reflection of the day

**TODAY WE CONTINUED OUR RECYCLING TOPIC BY CREATING SOME BOTTLE TOP PAINTING ART WORKS AS WELL AS USING CUPCAKE PAPERS IN THE SAND TRAYS. THE CHILDREN ALSO HAD A GREAT MORNING AT YOGA TODAY. WE HAD A GREAT INSIDE DAY EVEN THOUGH IT RAINED AND WAS COLD THIS MORNING.**
