Story

Tuesday 1st June 2021

Music

This morning the children were super excited to see Mr Brendan had come to do a wonderful Music lesson with them. The children absolutely love learning new beats and dancing to the new songs that Mr Brendan shows the children each week. This week Mr Brendan taught the children to close their eyes on the beat of the music which was great to see them all trying and succeeding. The children had so much fun learning to combine the sounds/beats learnt in previous lessons. The children have learnt to freeze when the music stops as well as to clap, stomp, close their eyes and make the sound “tss” on different beats.

Group time

This morning the children joined Miss Talitha on the mat to read a very special book called “Same But Little Bit Different”. The children really enjoyed listening to this book and were interested as to what made them the same and what made them different to others. So we discussed that every family is different and have a different story to tell about their families past.

Aboriginal flag playdough

This morning Miss Caitlin organised for the children to get red, yellow and black playdough to make the Aboriginal flag. The children had so much fun doing this and all did such amazing jobs trying to create the flag with the different colours after looking at a photo of the flag. It was great to see the children recognise the colours and try match the playdough with the flag.

Analysis of learning

- Fine & gross motor skills
- Listening & responding
- Cultural awareness
- Colour recognition
 - Social skills
- Feeling safe, secure & supported

Reflection of the day

Today the Dolphin children all really enjoyed being in their own room. We also welcomed Tuscany-Rose to our Dolphin room today which was so lovely having her join us and getting to know her as well as watching her form bonds with the other children as well as her new teachers. The children had such a blast doing their music lesson with Mr Brendan. The children loved playing with the playdough and trying to make the playdough look like the Aboriginal flag .
