# Guess what book we're exploring this week?

The children had a bear adventure reading the story 'Where Going on a Bear Hunt' with Miss Taylah. As the children are getting into the routine of group time they are getting more and more observant in story time.

**Archie** was so excited to read a story today, he quietly sat on the carpet listening to Miss Taylah, he got so excited towards the end of the story when the family finally found the bear they were searching for!

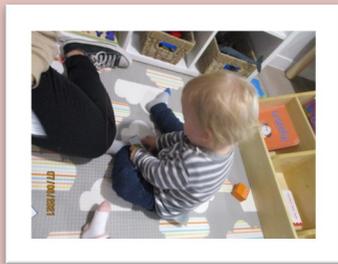

**Amal** and **Eleanor** were very observant throughout the book, not making any sound they each listened to the story quietly. Miss Taylah asked **Amal** 'where the bear was' she pointed to the big grizzly bear that we found at the end of the book.

**Amelia** and **Tabitha** were a little bit hesitant to read the story with Miss Taylah, but as they saw the other children sitting still and listening to the book they began to do the same. They both loved the story as well!

Miss Taylah prepared some cut outs of the adventure the children experienced in the story, she printed out a bear, a dark forest, a deep cold river and gloomy cave for the children to look at!

They each really loved reading the story this morning!

## Spontaneous play

Today was a quiet day in the Jellyfish room, all the children had so much fun exploring all the different toys we have in our classroom.

**Archie** really enjoyed pushing the dinosaurs around on the carpet mat. He loved copying Miss Zoe make a vroom vroom sound as we raced the dinosaurs across the mat.

**Amal** really loves to play with puzzles, she is very clever at putting the pieces in the correct spot. Today Miss Zoe and **Amal** completed a animal puzzle, Miss Zoe taught **Amal** all the different animals that were on the puzzles and what sounds those animals make.

**Amelia** loves to read stories! She made her way to our quiet reading corner that we have near the book shelf, she chose the stories she wanted to read. **Amelia** loves flicking through the pages looking at all the different illustrations in the story.

**Tabitha** was having so much fun stacking the squares on top of one another, she would stack them on as high as possible until they all fell over!

**Eleanor** was having so much fun playing with the babies we have in our classroom, she was carrying them around where ever she went, she loved giving them massive cuddles!

Recognition

# Reflection of the day

The children in the Jellyfish room had a very quiet and calm day with only having 5 friends today, they spent the morning exploring the different toys on the shelves and home corner. They came together with Miss Taylah onto the mat and really engaged with group time. They then explored the flash cards Miss Taylah had made and showed a great interest.
