

# Shark and Whale daily story

- Monday, June 7, 2021

# Show & Tell

Today the children showed off their special drawings and objects they built during inside play.

Miss Hannah had written down what all the children were working on so that they could remember how to explain to everyone what they had built.

We only had seven Sharks and Whales combined, so everyone had a go of talking to the group.

Ellie made a diamond from magnet blocks and did a special drawing of her family. Philip did a drawing of his family, as Lucas made a rectangular prism and cube.

Carter made a special animal called a megasaur, which later became a later lionsaur. He took pains to explain that his creation wasn't a saw that cut things but and living, breathing creature.

Abbie did a drawing and Alina had built a house from magnet blocks.

Hashim had helped to build a road.

Great work everyone!

# Outside play

The children enjoyed outside play in the big yard before coming inside for morning tea.

We had a shared morning tea with the Dolphins before separating for inside play and group times.

While outside, Ellie searched for pink and red treasure in the sandpit as Philip and Carter enjoyed the dinosaurs.

Stephen joined Philip and Carter to play with the dinosaurs that were in the sand tray.

When Lucas arrived, he joined Philip to see his 'castle', which was a climbing A-frame.

While the morning was a bit chilly, everyone was rugged up to keep warm outside!

# Analysis of learning

4.1.2 Problem solving, investigating and reflecting on learning

4.2.2 Sharing ideas and discoveries

5.1.1 Using language, including signing

5.2.1 Exploring mathematical concepts in everyday life

# Reflection of the day

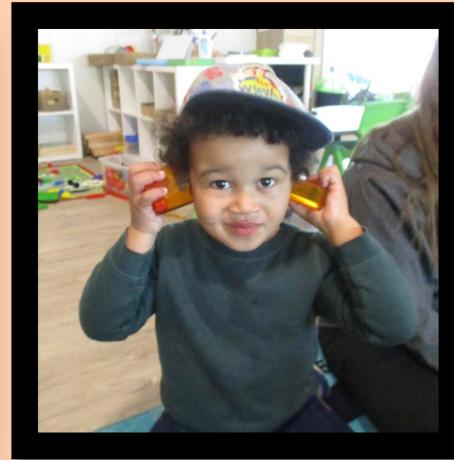

The children are working well during inside play to create buildings, draw pictures and undertake other projects.

Now they are practising to describe what it is they are working on not only to teachers in the room, but also to their friends during group times.

We had a smaller group today, joining with the Dolphins during meal and rest times.
