

# Starfish Daily Stories

# Messy & Sensory play

Messy and sensory play happen to be one of the favourite things to do in the starfish room. Today was sand and shaving foam!

Arden jumped right in covering her self in shaving foam. Alina rubbed her hands all the sand and shaving foam mixing them together. Jonathan was a little unsure at first but slowly started to play in the sand. Maddie sat on the outside just placing her hands in and then jumped right in covering her self with sand and shaving foam.

We had so much fun playing and exploring the texture of the sand mixed with shaving foam!

# Dancing & Ribbons

Dancing is another favourite thing to do in the starfish room. Today we played some music like baby shark and some Disney songs.

We added the rainbow ribbons to shake along with the music. We sang the rainbow song with sign language learning about the different colours in the rainbow.

It's great to see how they all move and dance different to the music and how they try and copy each other as well.

# Smiles all round!

**Bugs, bugs, bugs**  
 What bugs are hiding under the lids!  
 The children lifted the lids to find what fun, colourful, wonderful bug was underneath to explore.

# Story time

# Exploring Food

## Lunch time

We all enjoyed some yummy mix sandwich's that Mr Shane made for us today.

We also made sure to have lots of water with our lunch.

Oranges and jelly for afternoon time yum yum!!

We seen lots of funny faces with oranges to start off but after a few bites the children seem to really enjoy the yum taste of them.

# Analysis of learning

LO 4.1 – Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination & investigation

LO 4.2 – Children develop a range of skills and process such as problem solving, enquiry, experimentation, hypothesising, researching & investigating

LO 5.1 – Children interact verbally & non-verbally with others for a range of purposes

LO 3.2 – Children take increasing responsibility for their own health & physical well-being

## **!! Important !!**

Please remember to label ALL of your children things.

We have few children all with the some bottles within the room. We don't want to get them mixed up when sending home.

Thank you

A Special thank you to Jonathan's family for the recycled items that we now can use for art and craft within the services.

If you have any clean recycled items that can be used for art and craft please feel free to bring them. Not only can they be used the starfish room but also all the room within the centre.

# Reflection of the day

Today was a wonderful day with all the children that were all so happy. The sensory and messy activity the children loved, nothing more fun the being able to get messy. The oranges was a hit also with the children, seen lots of funny faces but they did enjoy them.
