

Starfish Daily Stories

Someone come over to help fold all the washing this morning.

Outdoor Fun

Gross motor skills!

Maddie, Arden and Harlow worked on climbing on the obstacle course things morning. They each came up with different ways to get around, up and over the course. Even showing off how well they got to the top by clapping and laughing.

Rolling around the yard!

Exploring the sensory mat and watching all the different patterns it was making.

This morning Maddie and Arden rolled the balls around the cones. They crawled after the balls as they rolled away.

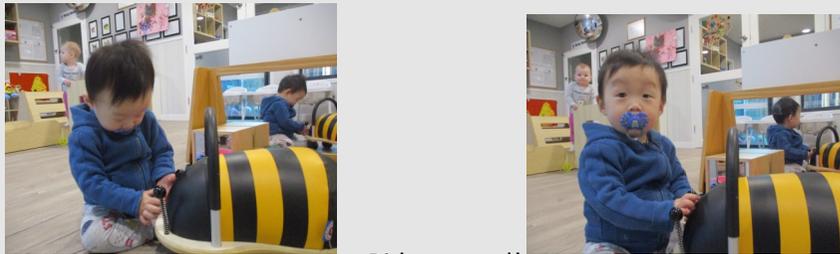

Puppets

We explored the puppets of different jobs today e.g. firefighter, police, doctor and nurse. We looked at the different things each of them wore and the colours they had on.

Our monkey's climbing on anything they can!

Ride around!

Arden and Jonathan have really enjoyed the bikes today inside and outside.

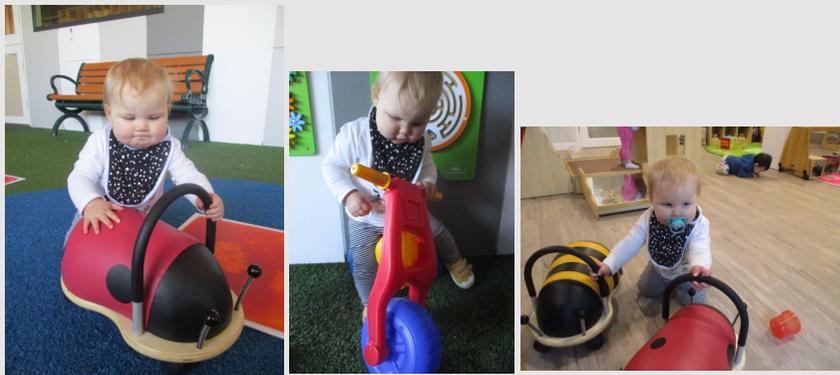

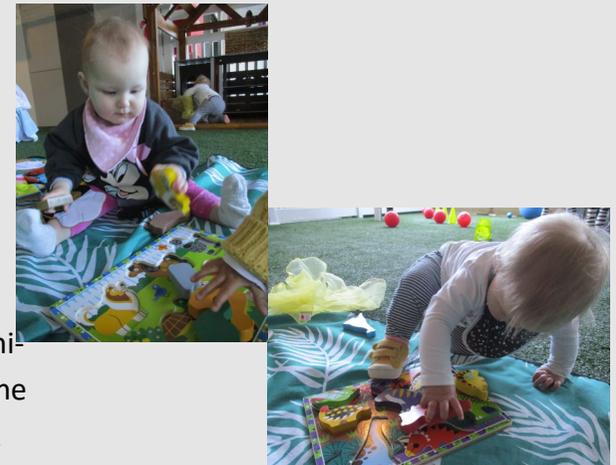

They pushed them around and also stood on them to ride around the room.

They have also been using them as a walker, standing up and holding on as they push them around.

More fun

Puzzles!

We looked at the different animals on the puzzles making the noises each animals makes.

Story time!

Chalk drawing

The three little pigs

Arden blow just like the big bad wolf in the book

We explored all the different colours of the chalk as we drew beautiful pictures. We also used the shape by placing them on the board and drawing around them to leave the shapes.

Meatball subs for lunch!

The children loved how yummy they were, as you can see by their faces they had a lot of fun eating them.

Analysis of learning

LO 3.2 – Children take increasing responsibility for their own health & physical well-being

LO 4.2 – Children develop a range of skills and process such as problem solving, enquiry, experimentation, hypothesising, researching & investigating

LO 4.3 – Children transfer & adapt what they have learned from one context to another

LO 5.1 – Children interact verbally & non-verbally with others for a range of purposes

LO 5.2 – Children engage with a range of texts & gain meaning from these texts

!! Important !!

Please remember to label ALL of your children things.

We have few children all with the some bottles within the room. We don't want to get them mixed up when sending home.

Thank you

Reflection of the day

Today the children played in the jellyfish yard playing with the balls and cones, puppets and puzzles. It nice to have a change on where we go outside in the centre and they enjoy the jellyfish as they can also play with other children.
