CREEPY CRAWLIES!

Both Arden and Norah showed interest today in the creepy crawlies set up in the classroom. Norah was intrigued by the encased butterfly, while Arden's interest peaked the most by the green cellophane and smaller encased bugs. It is a great installation in the room that all babies investigate throughout the day.

SENSORY PLAY!

Using just cornflour, food colouring and water, Miss Tanya created a fun and messy sensory activity for our little ones. At first unsure and confused by this strange moosh, each both decided to let Miss Alaura touch it first to be sure, then both Arden and Harlow ended up braving it and gave it a go. Neither were very sure about what they were touching, like Arden who touched it and then proceeded to wipe it on her pants. But they both enjoyed the activity and were exposed to a new experience and feeling.
