

# Starfish Daily Stories

# WELCOME

**We would like to welcome three new friends to the starfish room. Amelia, Harlow and Michael.**

**We can't wait to get to know you more and see what adventures they all get up to!**

# Reconciliation Week

We continued to learn more about Aboriginal culture and reconciliation week. First we started off with book reading about our ABC and Aboriginal Animals. After our stories we played with some puzzles of different Australian animals.

Next we used coloured sand to make the aboriginal flag. The children seem to enjoy rubbing their hands all through the sand. Little did we know that the food colouring was going to also colour our hands. The coloured sand was also a good scenery activate for all the starfish children.

# Lunch Time

What a fun way to enjoy our lunch by doing it all ourselves.

Tuna Pasta was so yummy and all of the children seemed to enjoy the texture and taste of Miss Julie's cooking. It was also fun to throw around and to make a really big mess.

Today the children seemed to enjoy exploring the toys inside and outside. Through doing indoor/outdoor play, the children can explore their environment and choose where they want to play, learning through interests and allowing educators to extend on their interests. While inside, the children were interested in the musical instruments and were socialising. The sandpit was also very popular outside with the animals. They used the animals to move the sand around.

# Analysis of learning

LO 2.2 – Children respond to diversity with respect

LO 4.2 – Children develop a range of skills and process such as problem solving, enquiry, experimentation, hypothesizing, researching & investigating

LO 4.3 – Children transfer & adapt what they have learned from one context to another

## Reflection of the day

Today we had three new children start, as they are still getting used to their new environment, we were a little out of routines. We used sensory activities and outdoor area to settle the children. Over all the children had a wonderfully day with their learning in mainly ways.
