

# HAPPY CANADA DAY

**THANK YOU  
HEATHER FOR THE  
BALLOONS AND THE  
CANADIAN COOKIES.  
HAPPY CANADA DAY.**

# CANADIAN FLAGS

Today we had the Dolphins, Sharks & Whales children join our classroom today. We hope they had fun joining in on our activities.

**\*we apologise for the lack of photos due to dolphin's camera having technical issues\***

To celebrate Canada Day Miss Briohny and the children did finger painting of the Canadian Flag. Miss Briohny showed the children where to put the paint and using their fingers they dipped them into the paint before pressing them across the page. Spencer decided he was using all of his fingers and dipped each one into the paint before spreading the paint across the page. When they are dry we will cut them out and put them up alongside our Aboriginal and Torres Strait Island flags.

# SENSORY BIN

To continue our celebration of Canada Day the children spent some time playing in the sensory bin. Miss Briohny filled a container with red rice, red and white pom poms, red and silver sequins, red feathers and some Canadian Flags. Using their fine motor skills and sense of touch they explored the texture of the different materials. Azalea extended her interest by using one of the small home corner spoons to scoop up the rice and to pour it back into the container.

# CANADIAN BALLOONS

Heather (Spencer's mum) brought in some Canadian balloons for the children to play with. Once the balloons were blown up the children had fun shaking them and tossing them around the room. Spencer, Mikayla and Azalea tossed the balloons to Miss Briohny and demonstrated their catching skills when the balloons were thrown back. This also encouraged the children to use their turn taking and sharing skills as there wasn't enough balloons for each child.

# TEA PARTY

Hanson, Jade, Spencer, Mikayla, Yoonu and Kai-li decided to have a tea party by the home corner. They set up some placemats, plates, bowls, cutlery and a variety of food on the mirror table and sat down together to have a pretend feed. Miss Taylor served them other pretend food like bacon, egg, toast, and cake. They had such a fun tea party indoors.

# GROUP TIME

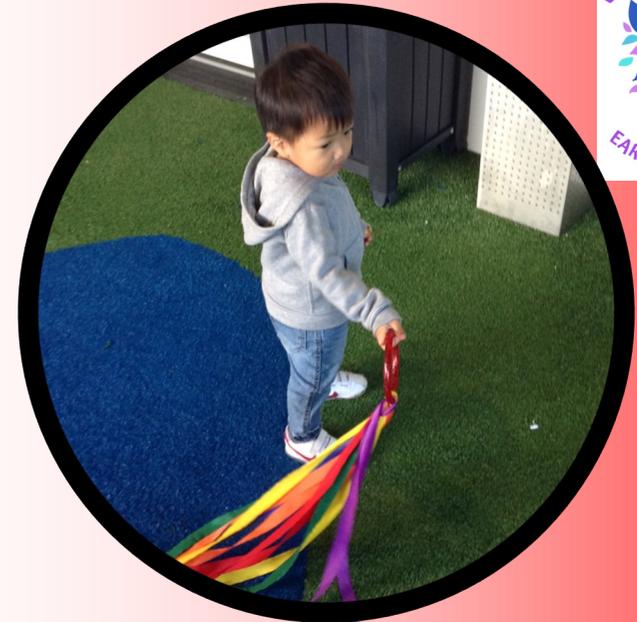

Miss Briohny tried to find a story for Canada Day but was unable to, so instead we read "Mashed Banana Pie". Miss Briohny also brought Morris to the group time and he helped to read the story. During the story Morris was upset that all of his bananas had disappeared and as he went looking for them he made some new friends and invited the gorilla's to live with him in his forest to share the bananas.

# Reflection of the day

Today was Canada Day and to celebrate Miss Briohny and Spencer were red. In a small group the children used finger painting to create some Canadian flags. The children also used their sense of touch to explore the textures in the Canada Day Sensory Bin. Spencer's mum also brought in some balloons for the children to play with as well as some Canada cookies for afternoon tea.
