JAPAN FLAG COLLAGE

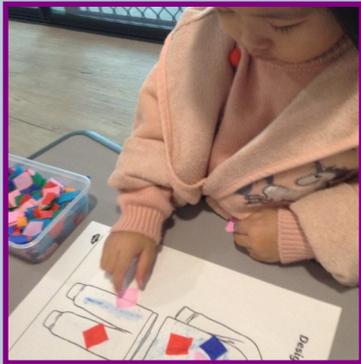

As today celebrates the beginning of the Tokyo Olympic Games, the children created some Japanese Flags to put up on our Olympics display. Selecting one of the glue sticks they covered the circle with glue before using some red crepe paper to create the red circle. By using the glue sticks the children had more control over the placement of the glue.

As the Olympics continues we will continue to contribute art to our Olympics display. On Monday we will create the Olympic torch.

PYJAMA COLLAGE

As today was Pyjama day and the children were dressed in their PJ's we allowed the children to create their own pyjama designs using the glue sticks and coloured crepe paper.

Spreading the glue across the shirt and the pants of the pyjama outlines first, they ensure each part was covered before selecting the pieces of crepe paper they were going to use. They made some very colourful pyjamas.

OLYMPICS PLAYDOUGH

To celebrate the Olympic Opening Ceremony being held today the children played with Olympic coloured playdough. They each selected a range of colours—red, black, blue, green and yellow to play with. Nate, Spencer and Yoonu asked Miss Stacey to make balls from their playdough which they then cut into different shapes using the cutters. Hanson and Kayla took turns using the rolling pin to roll the playdough as flat as they could. Thomas picked up one colour at a time and excitedly told Miss Stacey what colour he had. The children always enjoy having playdough and thought it was great that there were so many colours to chose from today.

PYJAMA MATCH

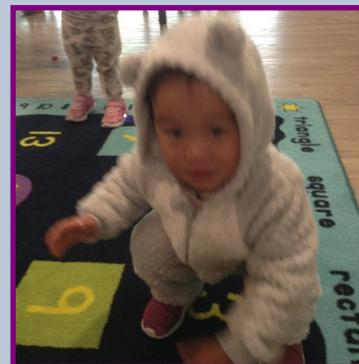

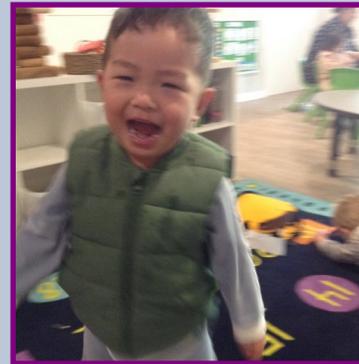

Hanson, Thomas and Violet engaged in the Pyjama match activity this morning along side Miss Briohny. On the mirror table Miss Briohny placed out some cards upside down and working together the children had to locate the top and bottom of the pyjama sets to create a matching pair. Flipping one of the cards over they selected the top or bottom before looking through the remainder cards to find the other half. Once they had located the complete Pyjama set they celebrated their achievements.

DANCING

The children love putting on their dancing shoes on a Friday. We played the song “hop little bunnies” as it is a favourite song among the children. They would pretend to be sleeping little bunnies then wake up to hop, hop, and hop! They had lots of genuine fun hopping, jumping, and skipping. Spencer then had a special request to play the song “humpty dumpty”. The children then sat on the table pretending it was a wall and would fall over just like humpty dumpty. We also danced along to the song, “Can you point your fingers and do the twist” sung by the Wiggles. Mikayla and Yoonu already knew the dance moves to the song which was very impressive. Our children always look forward to and enjoy times where we can just vibe to catchy music and happily dance with friends.

GROUP TIME

As today was Pyjama Day Miss Briohny promised the children that we could watch a couple of episodes of 'Bananas in Pyjamas'. Sitting together on the mat Miss Briohny set up her computer and speaker and we found some original episodes of the Bananas. Luckily the first episode we watched was all about the bananas and the teddies having a Pyjama party.

The children enjoyed relaxing and watching the Bananas, Teddies and Rat get up to different adventures. Depending on how this afternoon goes we might watch a couple of more episodes before going home.
