CRAZY SOCK DRAWING

As we celebrated Crazy sock day today Hanson, Keaston and Violet used the coloured pencils to decorate their own versions of crazy socks. Violet did a great job of trying to stay between the lines while Keaston and Hanson made their socks very colourful.

This activity provided the children the opportunity to strengthen their fine motor skills and to develop their pre-writing skills.

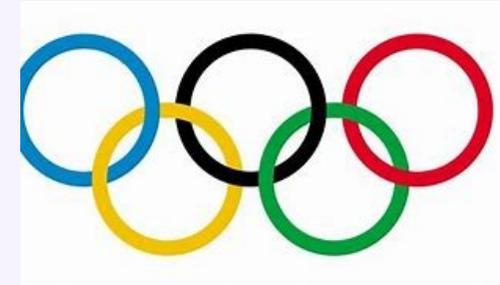

CRAZY HAIR COLLAGE

As it was also crazy hair day we create some crazy hair collages. Using a toothbrush the children spread on some glue before selecting between the wool and pipe cleaners to make the hair.

Hanson chose to use pipe cleaners as his hair while Violet used pieces of wool. Keaston decided he was going to use both the wool and the pipe cleaners.

OLYMPIC TORCH PAINTING

We continued with celebrating the Olympics today by creating some Olympic Torches. Using brown, red, yellow and orange paint the dipped their fingers into the paint before pressing them across the paper. Using the brown paint we painted the handle of the torch while using the red, yellow and orange paint we created the flames. When they are finished we will add them to our Olympics display on the door.

OLYMPIC FELT BOARDS

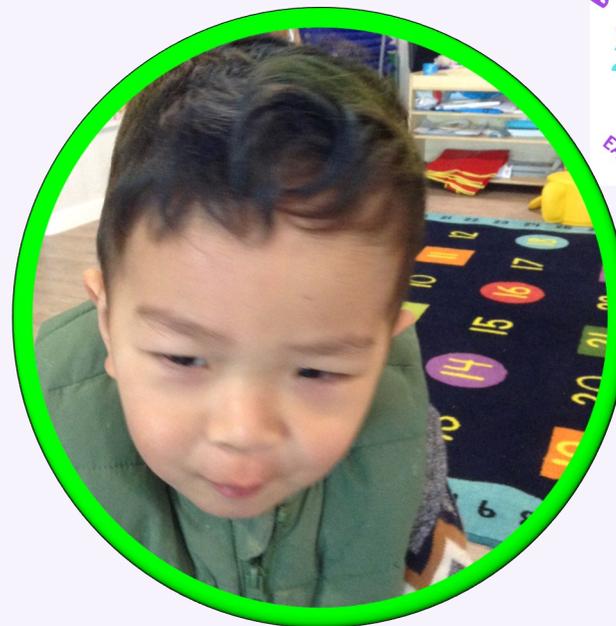

To continue with our Olympic theme for this week Miss Briohny put out some felt boards with different Olympic cut outs. The children each took turns at placing the cut outs on the felt board. Miss Stacey asked the children what sport each person was playing and assisted with the name of the sport if they were unsure. She then asked each child what was their favourite—Violet liked the swimming, Hanson liked the cycling and Keaston liked the basketball.
