Morning Play

This morning while climbing the jungle gym, Ryan and Carter noticed 3 men chopping down a tree. 1 was climbing while the other 2 cleared the branches from down below. As more children arrived, the fort was becoming full with everyone watching and waiting for the next branch to be chopped down.

Ryan called the one climbing a monkey while Carter saw smoke coming from another ones mouth and said he was a dragon! The two spoke to each other about climbing trees and how they couldn't go that high because it would be too scary.

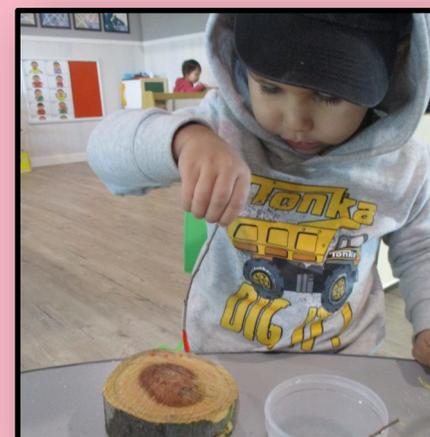

Miss Caitlin saw how fascinated they were so she went down and asked the workers if we could please have the left over wood from the branches.

Dot painting

Once Miss Caitlin arrived back with the pieces of wood and we ate morning tea and read our group time story, we were asked what colour we would like to use to paint. Black, red and pink were requested and Miss Caitlin also thought of the colour green and yellow.

We used sticks to dip into the paint and apply it to our piece of wood. We were trying to make snakes from the book we read in group time.

Reflection of the day

Happy Monday everybody. We hope everyone had a safe and relaxing weekend. Today was a quiet day for us as we started activities for NAIDOC week. We used resources from the environment to complete our art today and read stories about the Aboriginal community. Everyone had so much fun and we can't wait to see everyone again tomorrow.
