Friday, 16th July 2021

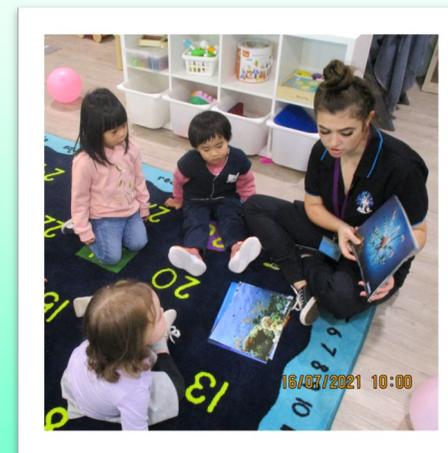

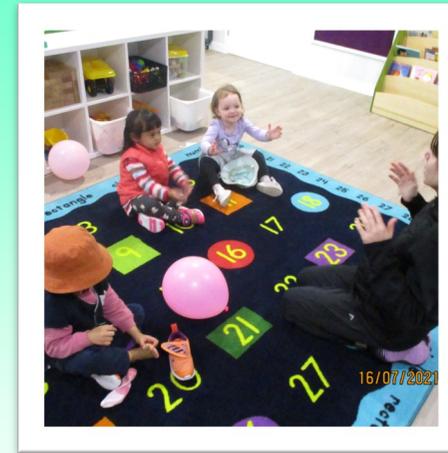

Group time

This morning the children joined Miss Caitlin on the mat to do the usual which is singing some songs.

After morning-tea the children joined Miss Talitha on the mat to read a book called 'one fish, two fish, red fish, blue fish' which the children really enjoyed.

Miss Talitha then started to introduce some more sea animals with photos of them. The children already knew the names of some but loved learning the new names of the ones they were unsure about.

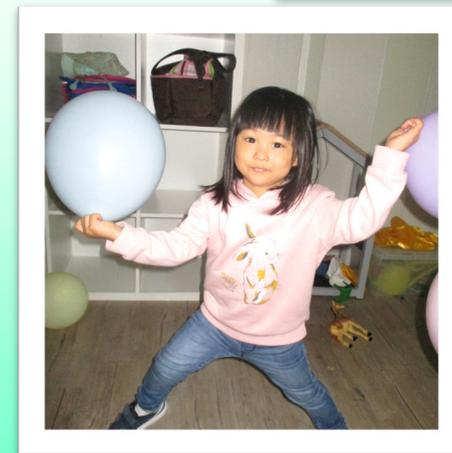

To practice our colours Miss Talitha grabbed one of our light cubes and the children told her what colour the light was as it changed colours.

Happy birthday Kai-Li

Today we celebrated Kai-Li turning 3 years old (For her birthday on Saturday) . The children enjoyed having a dance party and playing with the balloons to celebrate.

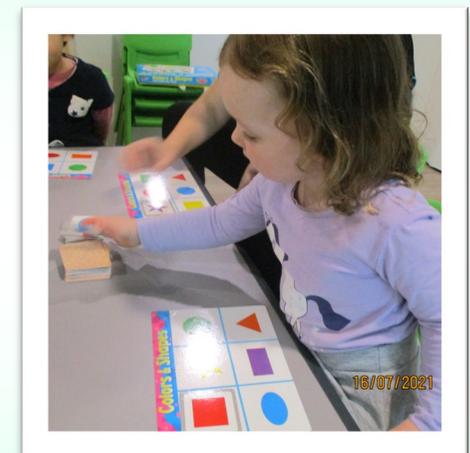

Happy Birthday Kai-Li, we hope you enjoyed celebrating your birthday with all your friends and teachers today.

Shapes and colours

This morning the children joined Miss Talitha at the table to play a game called colours and shapes which we played like bingo. The children did really well as matching the shapes and colours on each card to the shapes and colours on their boards. It was great seeing the children using their cognitive skills to recognise the differences and similarities. The children got so excited for each other when they got a card that matched their board it was so great to see.

Analysis of learning

- **Feeling safe, secure & supported**
- **Children taking responsibility for own health and physical wellbeing**
- **Children interacting verbally and non-verbally with others**
- **Children develop dispositions towards learning such as curiosity. Cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity**

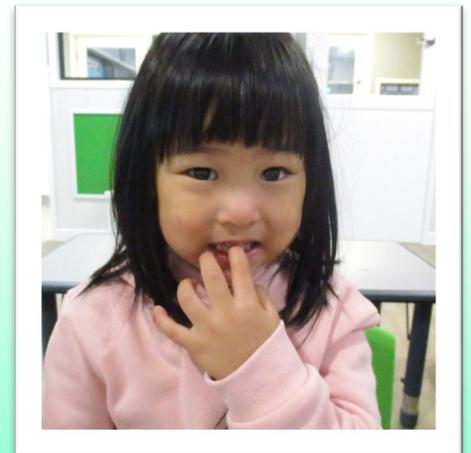

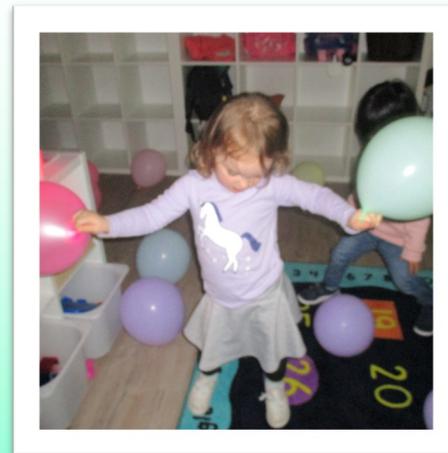

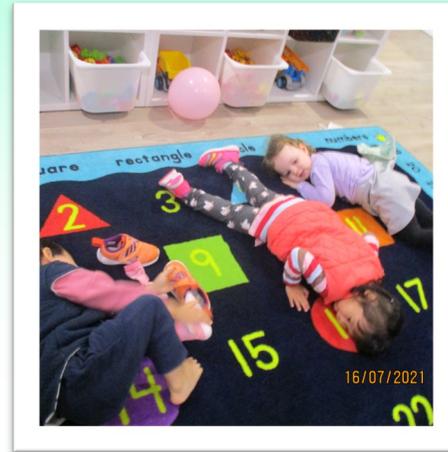

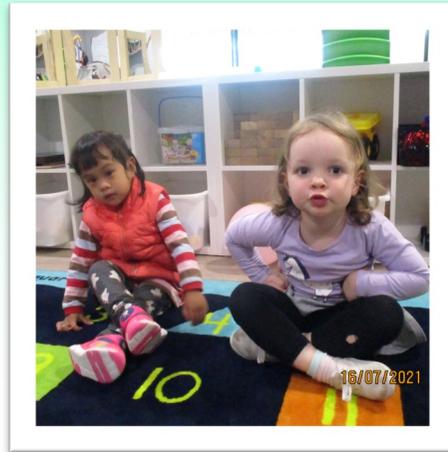

Reflection of the day

Happy Fri-Yay!

This children had such an awesome day having a dance party to celebrate Kai-Li's birthday, reading a new book with Miss Talitha, playing in home corner and playing a new game with Miss Talitha.
