# Yoga

It's Wednesday!! You know what this means?? Yoga with Miss Gini!

As soon as Miss Gini walks into the classroom, everyone stops what they're doing and waits patiently for Miss Gini's instructions. We stretched, we laughed and we had fun!

We pretended we were snakes, lifting up just our heads to say hello, then laying back down to rest. We waved hello to our toes and we touched the sky. We can do so much more with our bodies than we thought!

Thank you Miss Gini, we look forward to seeing you next week!

# Starfish art

The children were super excited to join Miss Talitha at the table to make their own starfish today. The children got too decide if they wanted to use sequins and buttons to decorate their starfish however most of them wanted to used both buttons and sequins so that's what they did. They used big and small buttons of all different shapes and colours as well as all different coloured sequins. They all had such a blast doing this activity, Evelyn and Keaston wanted to make multiple.

Everyone did an absolute amazing job making their starfish beautiful and super unique, Great job everyone!

# Sea creatures and playdough

Miss Talitha set up the table for us to pretend we were in the sea. She made some blue playdough and found as many sea animals as she could find. Penelope was able to identify most of the sea creatures displayed on the table to Miss Caitlin. Penelope then picked up the starfish and said “Look we just made one!”

We felt the texture of the playdough and it was quite cold. Miss Caitlin asked if it was as cold as the ocean and Evelyn responded with a big nod. Evelyn then asked if we could put some on the octopus we have in the room because there’s no water there for it yet.

# Group time

After lots of excitement this morning the children joined Miss Talitha on the mat to read a new book called 'Tickly Octopus'. The children really enjoyed listening to the book and recognised that the octopus was like our one in our room.

Miss Talitha introduced a new song to the children today called 'tiny turtle Tim' which the children absolutely loved and did a great job learning.

After reading this book the children got their counting fingers reading and we all practiced our counting together which was lots of fun.

# Analysis of learning

Learning Outcomes Achieved:  
1.1, 1.2, 2.1, 3.1, 3.2, 4.1, 4.2,  
5.1

# Reflection of the day

Happy Wednesday! As we continue with our 'under the sea' theme, we introduced a new book called 'tickly octopus' which fit perfectly with our octopus in our room. We continued making more 'under the sea' art to decorate our room and join our lonely octopus.

We look forward to learning more about 'under the sea' and making our octopus some more friends.
