Welcome to our Crazy Hair Day Salon

What a fun and crazy morning we have had in the Jellyfish room this morning, our Seahorse friends joined us in our room for the day. Miss Jade had the best idea this morning and set up a little hair salon in the room for the children to explore, there were lots of colourful hair ties and hair clips for us to explore, we also had some hair brushes, combs, a hair curler, hair dryer and a hair straightener, each of the children went up individually at their own pace to explore the salon set up. **Amal** and **Amelia** showed a great interest in this experience, **Amal** had grabbed one of the dolls that Miss Jade had brought in, sat it down on a chair in front of the salon set up and began brushing and pretending to straighten the dolls hair, Miss Taylah asked **Amal** if mummy does that with her hair and she replied "Mummy's hair is very pretty", **Amal** even tried to do Miss Taylah's hair. **Amelia** was loving all the different coloured hair clips, especially the butterfly clips, Miss Jade had helped her put all the clips into the dolls hair. **Daniel** had also joined in on the fun with **Amelia** and Miss Jade.

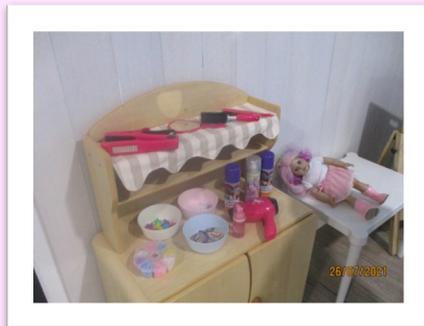

Miss Zoe had gone around earlier this morning and made all of our friends hair a bit crazy, she put some hair ties and some colourful hair spray, we had pink, purple and yellow hair spray as well as glitter hair spray, even Miss Zoe, Miss Megan and Miss Jade had colourful hair, Miss Taylah had very crazy fluffy hair with glitter in it!

Our friends Tabitha, Alina, Amal, Amelia, Aria, Ariana, Archie, Eleanor, Ashlyn and Zaidyn had such crazy hair!

Crazy Hair Day

Outside Fun

After our fun morning inside exploring the hair dressing area, we all ventured outside for some fun, it was a lovely temperature outside. While outside the children all went off to go and explore what had been set up for us this morning.

Zaidyn and **Aria** were having lots of fun on the large foam obstacle course, racing each other up and down each side, they also showed how well they could balance along the obstacle course.

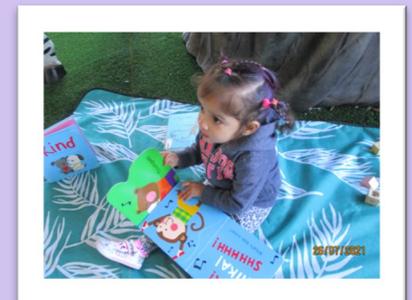

Amal and **Ivy** enjoyed some peace and quiet while exploring the books, they each picked a book and sat down to flip through each of the pages.

Archie was riding the bikes around the yard saying “Beep, Beep” as he passed all of his friends.

Tabitha showed a great interest in the puzzles that were set up on the table, she pulled all the pieces apart and concentrated very hard while putting the puzzles back together.

Alina was doing lots of climbing all over the car frame, once she climbed into the seat she let out big smiles and giggled as she turned the steering wheel around.

Inside Fun

What a fun, exciting day it was for our little ones today, the children had so much fun playing with the hair salon station we had set up for crazy hair day.

Zaidyn, Amelia and **Amal** really enjoyed playing with all the different pretend hair products, both Zaidyn and Amal loved using the hair brush to brush the dolls hair. Whereas **Amelia** loved using the straightener to straighten the dolls hair.

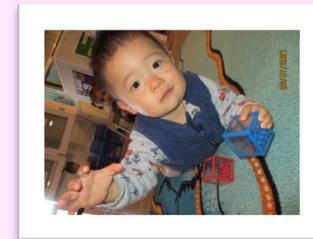

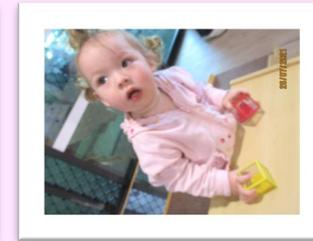

Both **Ivy** and **Owen** loved playing with all the different toys that we had set up on the carpet. They especially loved waving around the squares blocks that have the little balls inside to hear all the different sounds.

Tabitha and **Alina** loved reading many different stories with their educators. They would sit down quietly and patiently listening to the story be read to them.

Daniel, Archie and **Ariana** loved exploring the entire classroom. They would slowly make their way around the room finding heaps of different toys to play with.

All the children had an amazing day to start the busy week off!
