## Creating Stars for Eid Al-Adha

Miss Jade thought it would be a good idea to do an activity to celebrate Eid Al-Adha.

We did a "Stars," craft activity which symbolizes the activity we did the other day for the "Moon."

Miss Jade had a white star, colorful, shimmering confetti and glitter.

**Aria** was so engaged in this activity she was sprinkling confetti all over her beautiful star.

**Harvey** was able to put one confetti on at a time he was so careful with doing this.

**Weixuan** got plenty of assistance from Miss Zoe he liked to do the glitter and sprinkle it on his individual star.

**Chloe** loved this experience and had fun placing her confetti and glitter.

**Evan** and **Olivia** sat by Miss Jade and watched as she showed them what to do soon after they were able to show Miss Jade how creative they were and how much they enjoyed doing this.

**Ethan** and **Tiffany** were straight into this activity and loved it so much they wanted to do another one.

## Indoor Play

As it was a cold chilly morning, we decided to start off our day inside. After morning tea the children got the opportunity to play with many different toys. They all had so much fun exploring the classroom together, they are all starting to build real connections with one another.

**Ethan** was so joyful this morning running around the room, discovering many different toys to play with. He especially loved pushing the little cars around on the mat.

**Chloe** and **Harvey** really enjoyed playing with the puzzles, they were both extremely clever at finding the right spot for the correct puzzle piece.

**Tiffany** and **Weixuan** loved playing in home corner this morning, they were both very entertained by the home corner kitchen. Placing all the foods into the oven, then serving on a plate to pretend to eat.

**Olivia** and **Aria** loved playing with the wooden obstacle course, both climbing over and under the tunnel piece smiling and giggling the whole time.

**Evan** loved exploring the entire room of toys, he got out books, blocks and many other toys to entertain himself. This morning he was extremely independent when playing with all the different toys.

## Outdoor Play

As it was a bit chilly this morning, we spent most of our morning inside staying as warm as possible, as it started to warm up, we decided to put all of our shoes on our feet and make sure we all had our jumpers on and made our way outside.

Miss Taylah had brought out the wooden stacking blocks, **Ethan** and **Aria** showed a great interest in these, they used their problem solving skills to balance the blocks on top of each other.

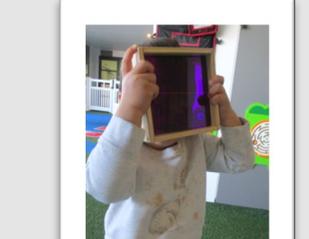

**Weixuan** and **Evan** teamed up together to stack the mega blocks on top of each other, once they had built it high enough, they knocked it down.

**Harvey** was enjoying the coloured Perspex shapes, looking through each of the different colours.

**Tiffany** was showing off how well she could climb along the foam obstacle course, she was very proud of how well she could balance.

Throughout exploring the outdoor environment, the children enjoyed bouncing from each of the experiences, exploring them all at their own pace.

# Reflection of the day

The children in the jellyfish room had a really lovely and quiet morning, we were missing a few friends today. The children really enjoyed the craft experience Miss Jade had set up, as well as the indoor experiences and outdoor experiences, they enjoy being able to explore at their own pace.
