Pyjama Day Movie

Happy Friday everyone, how exciting, we were all able to wear our pyjama's today for National Pyjama Day! For this exciting day Miss Taylah, Miss Zoe and Miss Jade had planned to enjoy a little movie and some snacks while in our pyjama's. We turned off the lights and gathered over near Miss Taylah's desk, where she had set up some blankets and pillows for all of us to get comfy, once we were all sitting down, Miss Taylah handed us each a cup of yummy treats, vege chips, pretzels and strawberries, once we were all comfortable with our yummy snacks, Miss Taylah pressed play, we all snuggled up and enjoyed watching the short films, we watched a couple of different ones as they only go for a few minutes each, we watched Olaf's adventures from the movie Frozen, a small short clip on the movies cars and watched Mickey Mouse Club House. The jellyfish children had a so much fun gathered up together, watching the short films and enjoying their yummy snacks together.

Everyone all looked so cute in their pyjama's today!!

Colouring In

Today was an extremely exciting day for the children as they got to participate in Pyjama Day, as well as getting to participate in our Pyjama Day movie.

Before we got the movie started the children got to colour in a bear in his pyjama's. They were all very excited to get involved in this activity as we don't usually do a lot of drawing its more painting and other arts and crafts activities.

Chloe was very excited to sit up at the table with her fellow peers and draw. She picked up many different coloured crowns and started colouring in, she loved this activity.

Aria and **Amelia** loved using the crowns to dot all over the teddy bear, they would hit the crown against the paper so they could see all the different colours and shapes they were making.

Harvey and **Tabitha** used they fine motors skills extremely well when colouring in the teddy bear, they used the crowns properly so they were able to cover nearly the entire bear.

Evan and **Tiffany** loved using many different colours to colour in their teddy bear, Evan is getting extremely clever at recognizing his colours he repeated the colour green as he pointed to it.

All the children really enjoyed using heaps of different colours to colour in the teddy bear!

Outside Play

After our awesome Movie experience we got to explore outside. Miss Taylah has set up some wonderful and exciting activities for all of us to enjoy.

Olivia, Harvey and Tiffany liked the magnetic glasses that were placed out, they loved to look through them and see their friends. They thought it was such a fun idea playing “peek a boo.” They also were interested with the assortment of colours that caught their attention.

Evan had a turn with the musical instruments he particularly liked to have a go with the “Xylophone.”

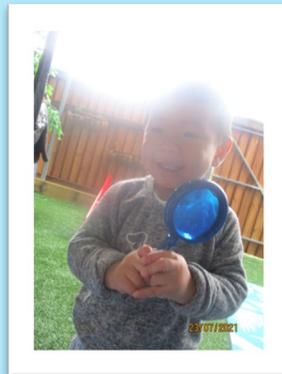

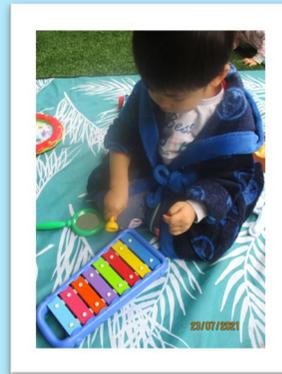

Aria was interested in the “sensory blocks,” she was able to show her building skills, how to compare and sort and what the shapes and colours she could recognise.

Amelia really liked to play with the different toys you could shake that head mini beads she liked the effect of them going up and down, these are a favourite in the babies room.

Tabitha and Eleanor were happy to explore their surrounds and wonder around the yard, they both really enjoy our home corner.

Chloe liked the “obstacle course,” set up and liked to climb on it.
