

# Jellyfish's Daily Learning Story

30th of July 2021

# The Jellyfish Olympic Games

What a great morning we have today. Miss Jade and Miss Taylor from the Stingrays room got to set up the big yard and do a "Mini Olympics," the joy on our Jellyfish children was priceless. They were all very excited.

We had an area for the "hurdles," one for the "obstacle course," an area set aside for the "hacky sack," "ball throwing," and "gymnastics."

**Amelia** and **Tiffany** went straight to the hula hoops and streamers where our gymnastic area was they set up they loved twirling the streamers in the air and place the hula hoops around them.

**Aria**, **Archie** and **Olivia** enjoyed the obstacle course where they learnt how to use their gross motor skills. They are such risk takers been had so much interest in this.

**Evan** had a turn at the hacky sack with a bit of help from Miss Taylor jumping up and down.

**Ayden** and **Tabitha** enjoyed the slide with Miss Jade they had the biggest smiles.

Our children had a lot of fun interacting and been outdoors with the older children, they really liked to be in the big yard and exploring the environment around them.

We even got to do a group photo with our "Jellyfish Olympics," banner Miss Taylah made for us.

# Outdoor Play

After our mini Olympics' that we held for the children, we decided to let them explore both the big yard and the smaller yard before lunch today.

**Chloe** really enjoyed playing in the big yard today, she really loved going down the slides all by herself. She had the biggest smile on her face as she went down the slide.

**Tiffany** and **Ayden** also loved playing in the big yard this morning they each got to explore all the obstacles courses that were set up, as well as participating in playing on the playground equipment.

**Evan** and **Amelia** loved getting the opportunity to play in the big kids sand pit today, **Evan** loved using the diggers as he was able to place the sand in the digger. **Amelia** loved using the buckets and shovels to play with the sand.

**Eleanor**, **Olivia** and **Aria** loved playing with the giant blocks that were set up in our smaller yard today. They would each stack them as high as they possibly could until it fell over.

**Tabitha** and **Archie** loved exploring the entire yard today, finding heaps of different toys to play with independently.

# Analysis of learning

Gross motor

Fine motor skills

Physical confidence and skills

Friendships and teamwork

United nations coming together

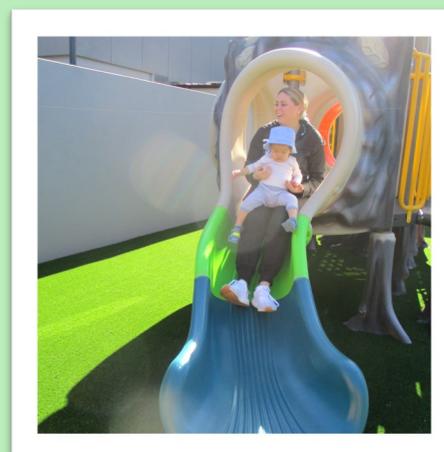

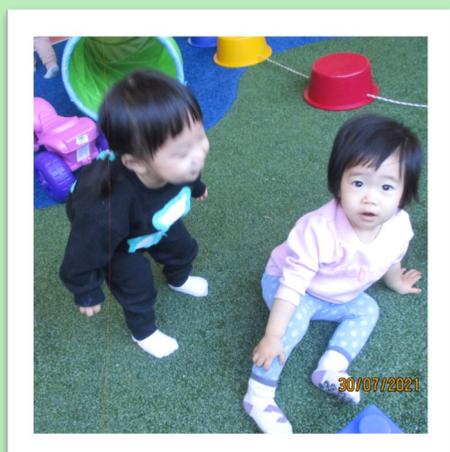

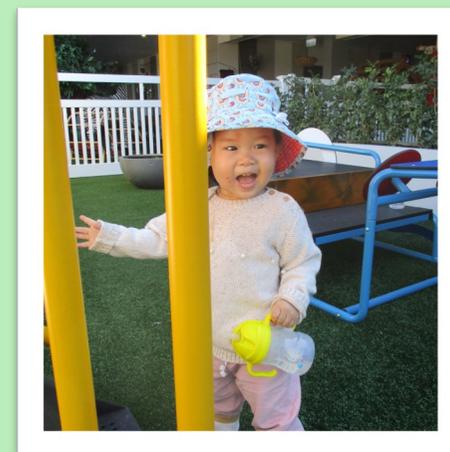

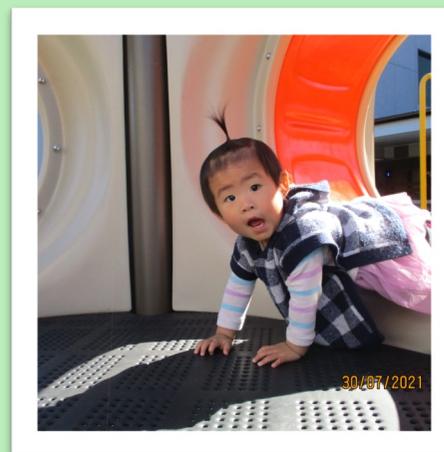

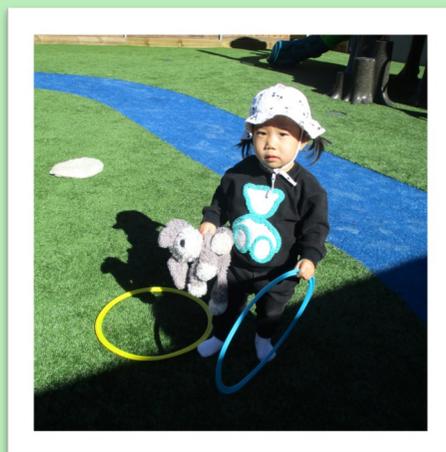

# Reflection of the day

We have had a great day and our jellyfish children have thoroughly enjoyed the morning exploring our outdoors activities. They particularly had fun with the mini Olympics we had done for them and the other rooms.
