Story

Group Time

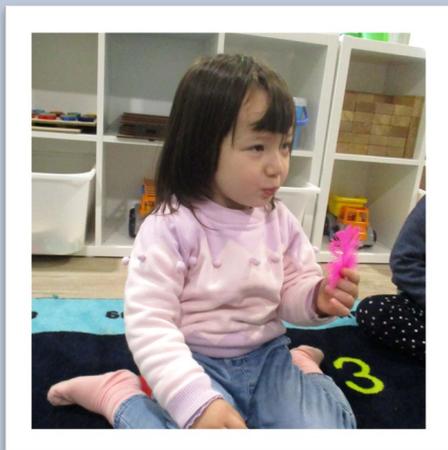

This morning the children joined Miss Talitha on the mat to read the book 'Possum Magic' which the children remembered from reading the other day.

The children also enjoyed singing some songs with Miss Talitha while on the mat. While we were singing songs Evelyn mentioned that she wanted to count, so as a group we practiced counting to ten then went backwards from ten.

Yoga

Today we welcomed Miss Gini to BTP! The children absolutely loved having you join us today and cannot wait to have you join us next week for another wonderful yoga lesson.

Miss Gini got the children to practice their breathing by giving them feather each and watching the feather move as they breathed out, which the children really enjoyed.

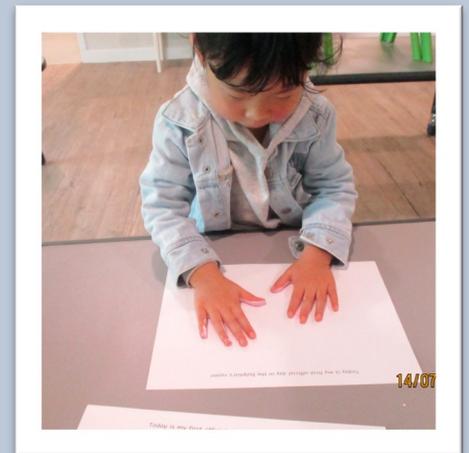

The children had an absolute blast doing new stretches while pretending to be different animals.

Handprint art

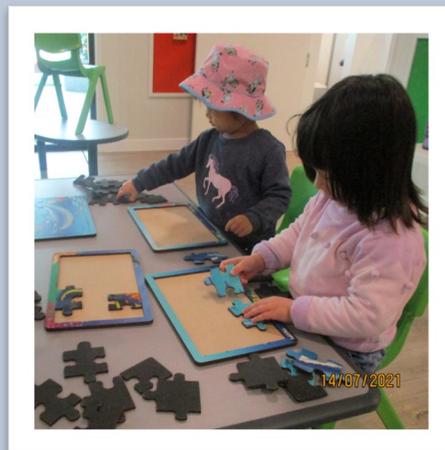

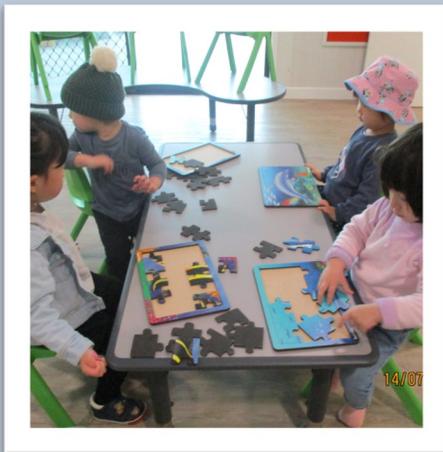

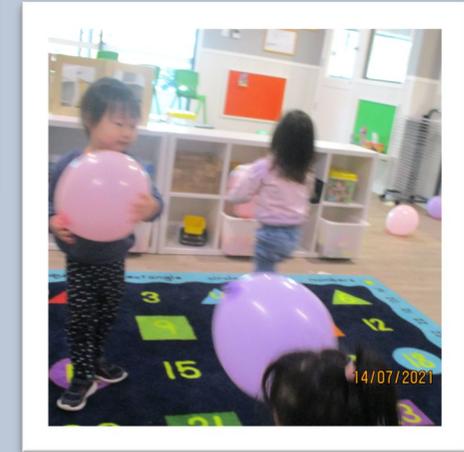

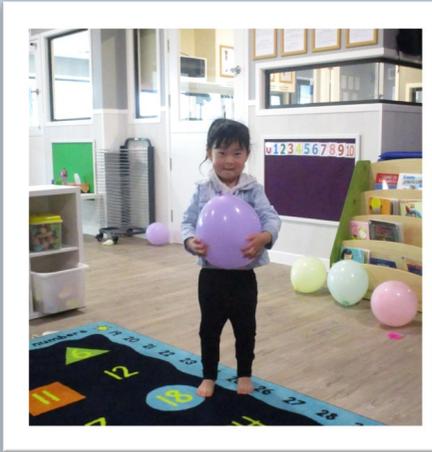

As today is only our third day in the Dolphins room we continued on with doing our hand prints. So all the children took turns joining Miss Talitha at the table to do their very own handprints. The children got to choose their favourite colour which is the colour we used for their paint which the children loved. Evelyn mentioned that it ticked as Miss Talitha painted her hand and Penelope mentioned that the paint was cold.

Sea animals

As we are starting to learn about sea animals the children were excited to do puzzles of sea animals being Turtle, Dolphin, Shark and Fish . The children new what all the animals were on the puzzles and got straight into doing them.

Dance party!

After enjoying this mornings activities the children decided they wanted to have a dance party with the balloons from yesterday. We all had so much fun as we danced around the room to music while throwing the balloons into the air.

Analysis of learning

Learning Outcomes Achieved:

1.1, 1.2, 1.3, 1.4, 3.1, 3.2, 4.1,
4.2, 4.3, 5.1

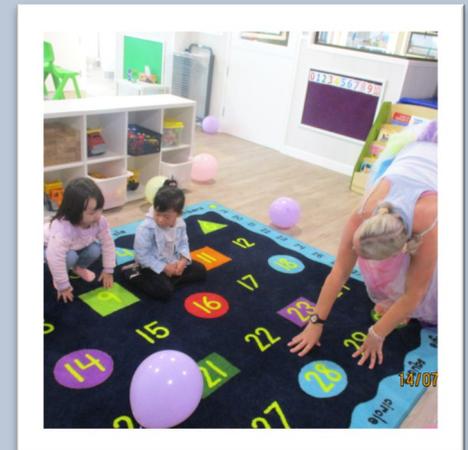

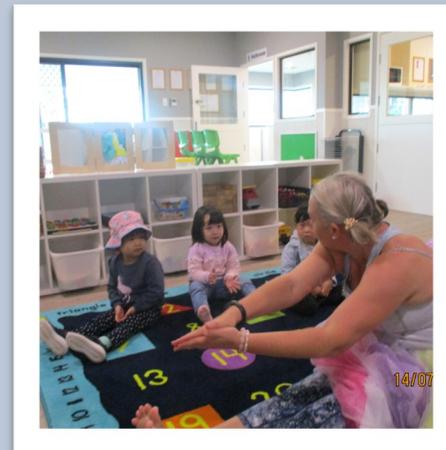

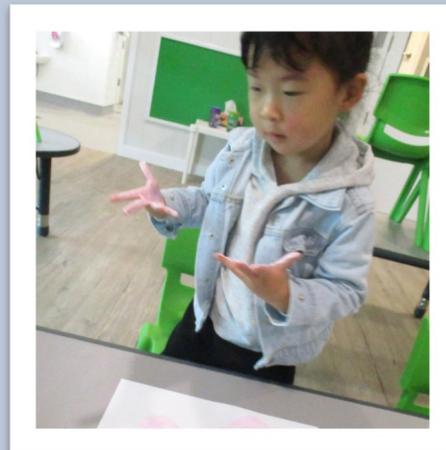

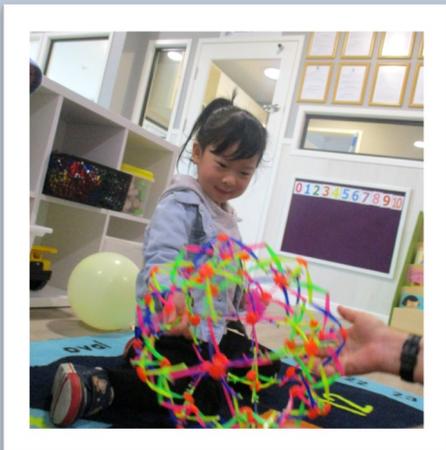

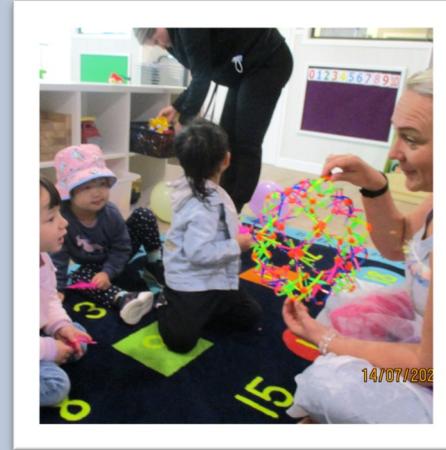

Reflection of the day

Happy Wednesday!

Today with the small group of three in the dolphins room we welcomed Miss Gini to BTP as our new yoga teacher, did handprint painting, started learning about sea animals and practiced our counting. The children had such a great day.
