

Daily Learning Story

Tuesday, 20th July 2021

Group time

We started off our group time as usual, singing songs before morning tea then continuing after with a story! Cooper and Adaline are picking up the songs super quickly!! We love singing 'Baby bumble bee' to start us off.

We found a new book to read today that fits in with our new theme. It was called 'Scaredy-cat fish' which told a story of the rainbow fish and his friends exploring the sea. We talked about the colours we could see and how many of each animal we could find.

Once we finished reading the book, we then practiced counting to 10 and backwards to 0. Everyone is getting really good at remembering what number comes after each other. Keep up the great work guys!

Rainbow fish art

As we read the story involving the rainbow fish at group time, we thought it was only fitting that we make our very own rainbow fish for art. Miss Talitha and Miss Caitlin set up two different rainbow fish activities for us to explore.

On one table, Miss Talitha had a template of a fish with many scales on it for the children to finger paint! They got to select the colour they wanted for each individual scale. Once they are dry, we are going to add them to our wall with the rest of our art work.

On the other table, Miss Caitlin handed each child a paper plate that had a mouth cut out and a tail added on. They got to select what colour they wanted their fish and off they went. They painted their paper plate like no tomorrow and once they finished, they got to add sequins to it to resemble scales. We can't wait to hang these from our ceiling to join our very lonely octopus.

Pyjama Day

Friday 23rd July 2021

Don't forget to dress in your favourite warm pyjama's this coming Friday
(Children who attend Friday only)

Analysis of learning

Learning Outcome
Achieved:

1.1, 1.2, 2.1, 3.1, 3.2, 4.1, 4.2, 5.1

Reflection of the day

Happy Tuesday everyone! As we continue with our 'Under the Sea' theme for the class, we read a new book about rainbow fish and even created some of our own to decorate our room with!

We can't wait to dive further into the sea and 'sea' what we can see!
