# Music with Mr Brendan

After a long two weeks away, we welcomed back Mr Brendan for our weekly music lesson. We touched base on everything we have learnt so far and helped our new friends learn some of the skills we have learnt along the way. We are so excited to have Mr Brendan back and can't wait to see what we learn this term!

## Welcome Meghan!

Today we welcomed beautiful Meghan to our dolphins room. We had so much fun getting to know you and watching you interact with the other children with such confidence. We look forward to watching you grow.

# Party Time!

Happy Birthday Evelyn and Eloise!! We hope you had an amazing birthday and enjoyed spending it with your friends and educators from day care. We threw a little party to celebrate with lots of balloons, party hats and streamers. We were even lucky enough to enjoy a cake and cupcakes! Happy 3rd birthday you two :)

# Koala handprints

This morning the children joined Miss Caitlin on the mat to read a book called 'Koala Lou' to continue learning about Australian animals. During this book the children learnt more about animals and also learnt that its not always about winning races its about having fun!

After reading 'Koala Lou' the children took turns joining Miss Talitha at the table to make their very own Koalas with their hand prints. The children painted their hands and placed them on the paper twice and used their thumbs to make ears and the nose. The children all did such a great job doing this activity and their Koalas look amazing.

# Analysis of learning
