Group Time

To continue learning about 'under the sea' the children joined Miss Talitha on the mat to read a book called 'the rainbow fish'. The children straight away pointed to the octopus in our room when the book mentioned an octopus. After reading the book the children were asked what the book was about to which Jade and Eloise both responded "rainbow fish" and Kai-Li responded octopus.

The children then joined Miss Talitha around the 'under the sea' sensory tray. Kai-Li got the shark and swam it in the blue part and said "look, the shark is swimming". Jade picked up the baby shark and started singing 'baby shark'. Jade also went around the entire tray and named each animal until she got to the seal and asked what it was.

Dance party

Miss Talitha asked the children what they wanted to do for the day and Eloise said she wanted to dance. Of course Miss Talitha put music on and the children had an absolute blast dancing around the room. Joanne and Jade loved showing off their awesome dance moves and Joanne kept saying “look at me”.

Outside play

The children were super excited to go outside to join the Jellyfish children with their ‘junior Olympics’. Jade had an absolute blast jumping around in the jumping sack as well as cheering on the other children when they were trying new challenges. Kai-Li did an amazing job at the hurdles and jumped over most of them. Kai-Li, Joanne and Eloise all enjoyed the obstacle course and loved climbing it.
