

STINGRAY DAILY STORY

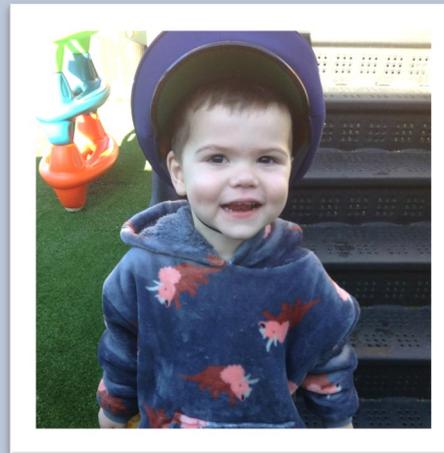

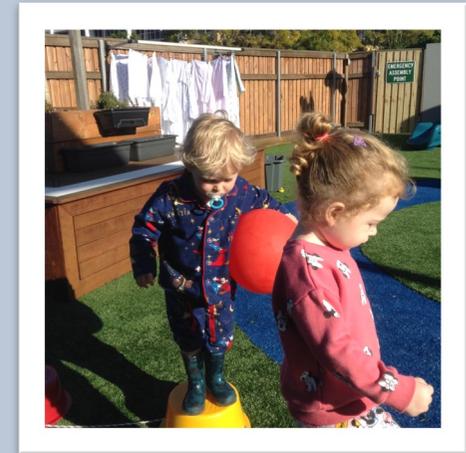

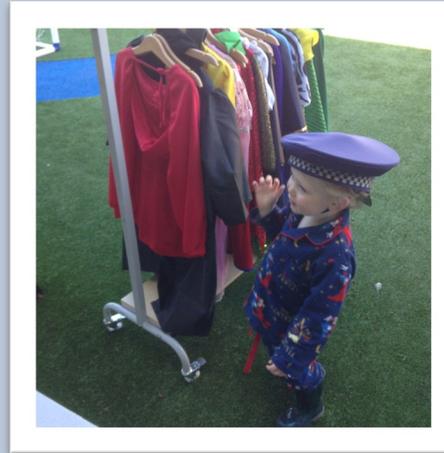

WEEKLY TOPIC: ON THE FARM

OUTDOOR PLAY

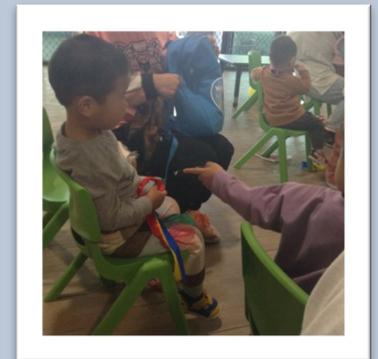

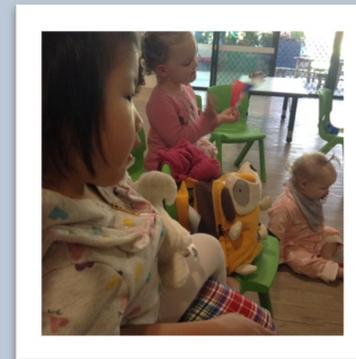

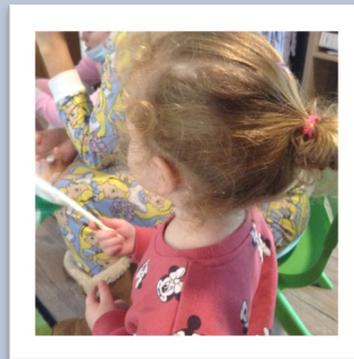

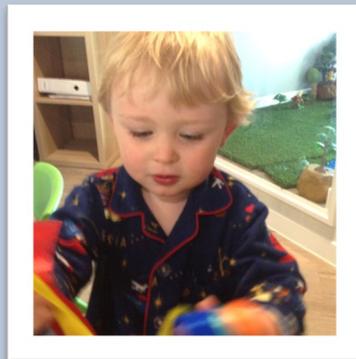

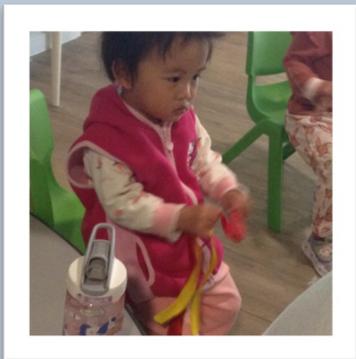

Miss Hannah brought out the dress up rack and this was a big hit with everyone. Spencer, Nate and Yoonu put on the police hats and ran around making siren noises. They had fun running around the playground all morning with the hats on. Mikayla and Spencer also had a turn at the stepping stone buckets telling Miss Stacey each colour as they stepped on it. Mikayla showed off her balancing skills holding her arms out straight to keep herself from falling. It was a great morning in the sun getting some fresh air.

OLYMPICS SHOW

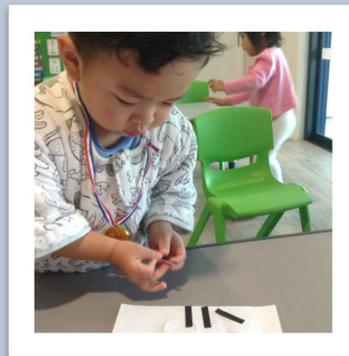

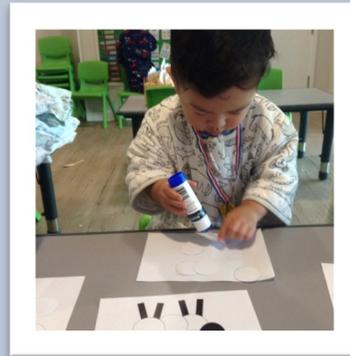

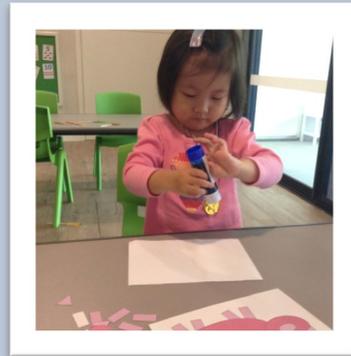

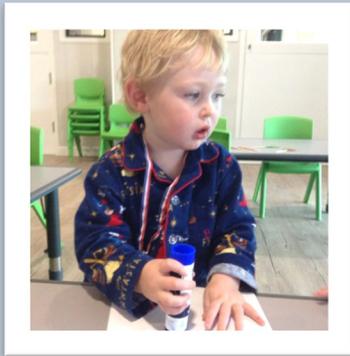

This morning the children joined everyone for a special show about the Olympics. Yoonu and Spencer volunteered to be Olympians and take part in the games. They did an egg and spoon race, soccer and bean bag toss. The other children waved their ribbons and clapped to support their friends. Everyone did so well that they were given gold medals to take home with them.

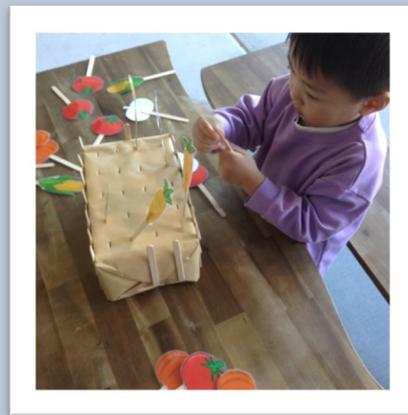

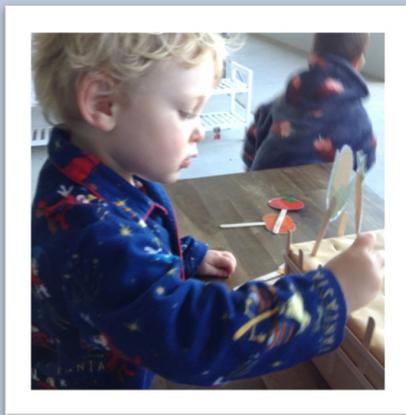

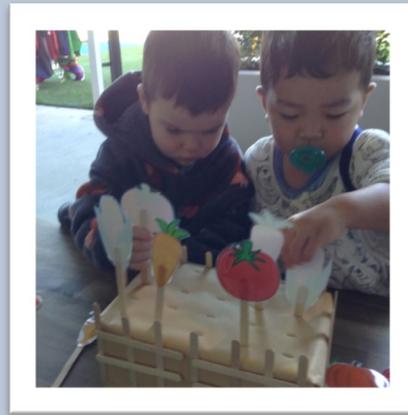

2D ANIMALS

The Stingrays children had the opportunity to glue cut up pieces of paper to form 2D prints of either a pig or sheep. This was a challenging activity for them as it involved gluing various pieces of paper. There was an example of what the creation is supposed to look like but the children still needed Miss Taylor's help with figuring out the placing of the pieces of paper. The outcome of the 2D animals turned out adorable and other children who missed out will get the chance to make their own 2D animals next week.

VEGGIE GARDEN

The children engaged in a veggie garden activity this morning. Images of vegetables including corn, tomato and pumpkin were attached to a paddle pop stick and they had to insert it in the veggie garden. They were asked what vegetables these were and the children were pretty good at naming them as they have been learning to do so for the past week during group time sessions.
