

STINGRAY DAILY STORY

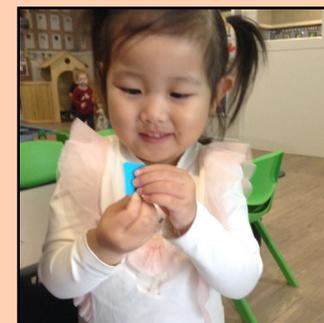

WEEKLY TOPIC: BOOK WEEK

HOT AIR BALLOON COLLAGE

Later in the week miss Stacey is going to read her favourite book 'Oh, The places You'll Go' to the children. To get ready for this the children all made hot air balloon collages. They took turns placing glue onto the balloon before choosing different coloured pieces of paper and sticking them down. Everyone used different techniques with some children carefully placing one at a time while others put handfuls at a time onto their glue. After all of our collages were done, everyone had their photo taken to put on the hot air balloons when they dry.

MATCHING FLASH CARDS

Yoonu and Thomas showed interest in the matching flash cards today. They made the effort to match flash cards of images like a unicorns, astronauts, spaceships and dinosaurs. This flash card activity can aid in children developing their awareness and understanding of one's own thought processes, where they can also judge their performance based on the number of cards they can remember or get correct. Yoonu and Thomas had fun naming and learning with Miss Taylor the names of the objects and animals on the flash cards.

GROUP TIME

BOOK LINE

For group time today, we decided to read a few of the favourite books our children brought in for book week. First we read Mikayla's favourite book, "The Green Sheep", followed by Keaston's favourite book, "The Very Hungry Caterpillar" and lastly, Sai's favourite book, "The Wheels on the Bus". It was very lovely to have the children bring in their favourite books to share with their friends. They enjoyed listening to Miss Taylor read each of the books.

Reflection of the day

Everyone was a bit restless as we had to spend the morning inside with the wet weather but we got some energy out by dancing throughout the day. We had fun doing lots of different activities and had a good day.
