

STINGRAY DAILY STORY

WEEKLY TOPIC:

Book Week

During outdoor play Miss Briohny set up pictures all around the playground. The children were very interested in what was happening. Once all the pictures were ready, Miss Briohny put the speaker on and played 'We're Going on a Bear Hunt'. The children followed her around the yard and found the different pictures which corresponded to the story. At the end they found a bear in the 'cave' and ran away.

The children also joined Miss Hannah for some outdoor art. They used their fine motor skills to pick up the pegs which had wool attached and place them into tubs of paint. They then used the wool to make patterns on their coloured paper.

OUTDOOR PLAY

YOGA

Our children absolutely love our weekly yoga classes and always look forward to seeing our Yoga Fairy Godmother, Miss Ginny. The children feel confident in copying Miss Ginny's yoga poses including the bridge pose, the mouse pose, the cow pose and snake pose. They then stretched their legs outwards and did a rocket ship pose with their arms up, pretending they would blast off into the sky. Miss Ginny then handed the children bubbles they could play with. Blowing through bubble wand was challenging for some but they eventually got it! Yoga class was both exciting and therapeutic for the children and they are looking forward to next week's class.

BEAR FORK PAINTING

Today we continued our book week craft by creating some fork bear paintings. In the middle of the table we had a plate full of brown paint and a couple of forks. The children selected one of the forks and pressed it into the paint before stamping it around their page. While using the fork the children were able to create different designs using the forks. Miss Briohny helped the children to create the shape of the bears head.

Once our bears are finished we will add some fuzzy ears, some googly eyes and some mouths to create the features of our bears.

Tomorrow we will continue our craft by making sheep to go with the story 'Where is the Green Sheep'.

FELT BOARD

We had cut-outs of a variety of characters from fairy tales and children's books that the children could explore and stick on the felt board. Violet asked Miss Taylor for the names of each of the characters she would point at. These characters comprised of Alice from Alice in Wonderland, Captain Hook, Peter Pan, ladybug, Gingerbread Man, the Very Hungry Caterpillar, the Three Little Piggies and so forth. Spencer, Yoonu and Keaston decided to join in the fun. Spencer would stick the characters like Puss in Boots upside down on the Felt Board. The children undoubtedly had lots of fun exploring all of the fairy tale characters and learning each of the names of characters they weren't very familiar with.

1 FISH, 2 FISH, RED FISH, BLUE FISH RED FISH, BLUE FISH 1 FISH, 2 FISH,

The children were very interested in the fish shapes which had been placed out on the table. Miss Stacey sat with them as they placed one fish at a time into the bowl. They were able to say the colours as they put them in the bowl and counted with Miss Stacey to find out there were 12 fish. The children used their sharing skills to take turns placing the fish in. Hanson found an item from home corner that he said was 'fish food' and he pretended to feed the fish with it.

GROUP TIME

Once we had finished packing up this morning the children and Miss Briohny sat on the mat together for group time. Today we decided we were going to read 'We're going on a bear hunt'. While reading the story the children were able to recall some of the words to the story, this allowed the children to help tell the story.

Once we had finished reading the story Miss Briohny asked the children how the bear was feeling. Spencer said the bear was sad because he missed his mummy.
